Term Two
Year 3
Through The Ages

Welcome back to Year 3!

We have another exciting term ahead of us! If you have any questions please ask your child's teacher.

English

In English, over Term 2, the children will write a Ghost Narrative based on the book, The Grumpy Ghost Upstairs. They will also develop their writing skills by writing a setting description based on, 'The Rhythm of The Rain.'

Maths

Within our Math lessons, the children will continue to develop their understanding of addition and subtraction, exploring exchanges. Throughout the term, children will further develop their understanding of multiplication and division. Applying this to the 3, 4 and 8 times tables.

Science

In Science lessons we will continue to explore Animal Nutrition and the Skeletal System. The children will investigate bones, muscles, joints and skeletal types.

P.E.

P.E. will be on a Monday and Wednesday.

History

During our History lessons, the children will continue to learn about The Stone Age, Bronze Age and Iron Age. They will develop an understanding of how this significant time period has shaped our lives today. They will study aspects such as The Amesbury Archer and The Celtic Warriors.

Term Two
Year 3
Through The Ages

Computing

Our focus for Term Two will be learning about robotics. Children will learn to understand what a robot is and program robots to perform tasks.

French

Within French lessons, Year 3 will be learning about Animals, Animal names, un and une, Je suis and Christmas.
We will also revisit early language.

PSHE

In PSHE we will be exploring 'Relationships'. Within this unit, the children learn about families, online relationships and the importances of collaboration.

Homework

All homework will be uploaded to Google Classroom and ClassDojo. Please ensure reading and TTRockstars is being completed at least 3 times a week.

Art

This term, our focus is 'Sketching'. Children will be exploring different grades of pencils, using various shading techniques and practicing still life drawing skills.

Physical Education

In this unit, the children will develop their understanding and skills relating to 'Invasion Games'. Children will discuss tactics that can help them to compete.

Music

In music this term children will explore salsa rhythms by learning to play a clave rhythm, sing the song, and play a percussion part.

Religious Education

In RE we are thinking about Incarnation. The children will study The Trinity to gain a deeper understanding.
