

English -

Throughout terms 5 & 6, we will be studying the book 'Refugee' by Alan Gratz. This will be used within our reading and English lessons as they will link together. Throughout term 5 we will focus on different genres of writing; diary entries, formal letters, descriptions and journalistic reports and explanation texts.

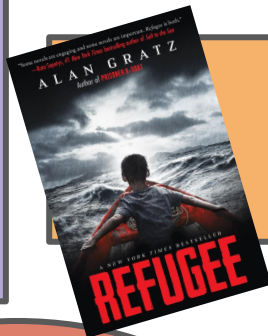

Science -

This term we will learn about 'living things and their habitats'. This topic will go across terms 5&6. We will also have 2 Science days within school, the 3rd and 4th of May.

Maths -

Throughout term 5, we will revise a range of mathematical concepts, that the children are currently finding difficult. Revision of these skills would be beneficial.
