

Celebrating Year 3's Learning

In English, Year 3 have worked incredibly hard in creating some amazing pieces of work. They have designed and written about their own dragons and have also written a recount about The Clock Tower. They used some fantastic language and we are very proud of how hard they have worked.

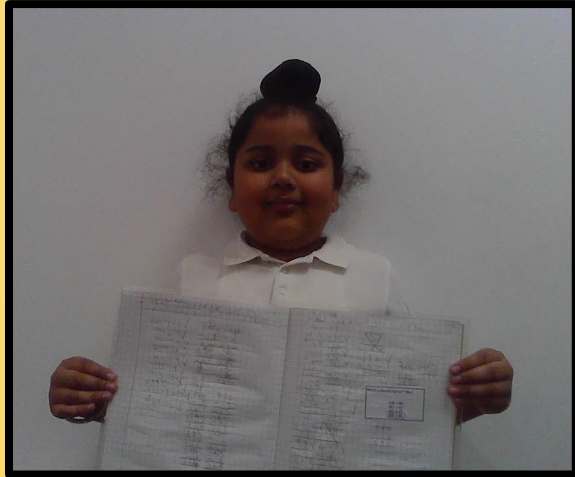

READING

In our reading lessons, we have been looking at the book, 'The Boy Who Grew Dragons!' The children have been learning how to echo read and have been applying these skills within their lessons. They have also been learning how to retrieve information from a text!

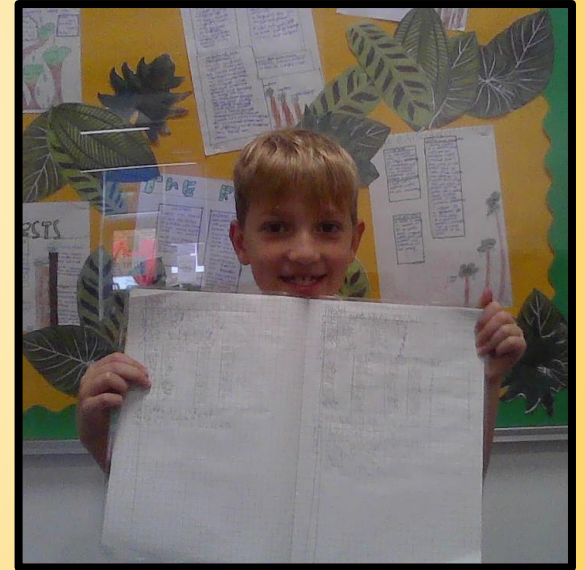

Celebrating Year 3's Learning

Within our Maths lessons this term the children have been learning about place value, addition and subtraction. They have learnt how to exchange when subtracting and have also learnt how to represent numbers using different methods, such as Bar Models. Well done!

topic

Celebrating Year 3's Learning

In our Topic lessons, over Term One, Year 3 have been learning all about Rainforests.

Year 3 are now able to discuss the climate within the rainforest and animals who live there.

They have learnt about the different layers and also the location of rainforests.
