

English

Throughout this term we will be focusing on Ancient Roman Myths and Legends.

Our aim is to design and describe our own mythical creature, consider the landscape that we may find this creature in and then create our own myth.

Forest School and Cooking

For Term 5 Quartz and Sunstone will be attending cooking and Forest School.

Science -

This term we will be learning about rocks. We will look at different ways they are formed (even looking at volcanic eruptions!) We will be creating our own fossil and using edible items to represent different layers of soil.

Term 5 Italy!

Maths

Our focus this term will be fractions. This will include tenths and hundredths, equivalent fractions, fractions of an amount, fractions greater than one and adding fractions.

Welcome back to Term 5 Year 4. We are all really proud of what you accomplished last term with your return to school. We know it was only 3 and a half weeks but you all settled in fantastically! We hope you do just as much of a brilliant job when we welcome you back this term!

Topic - History

Our Topic this term is Italy! We will be looking at the physical and human geography of the country and compare it to where we live! We are hoping to do some food tasting so we really feel as though we are experiencing the Italian culture first hand!

Art Week - Italian mosaics

We will be using the skill of collage to create a mosaic pattern.

Music

From next term we are going to be listening and appraising gospel based songs.

Homework and Log in's

Homework - Set on Fridays for it's return the following wednesday.

Homework will include spellings for your child's class, reading and English/Maths homework every week.

This will be on the regular Google Classroom, not the Self-isolation classroom.

GC login - upuckxl

PE

Sunstone - Wednesday

Argent - Thursday

Onyx - Thursday

Quartz -Thursday

RE

This term RE day is on religious buildings.

Computing - We are html

editors. We are co-authors, setting up a collaborative online encyclopedia.

PSHE - Relationships

Our Jigsaw topic for this term is Relationships. In these lessons we will talk about friendships and respect for one another.
