Username: westla1121 Password: lahome

## English:

Within our English lessons, during Term 3, the children will learn how to write persuasively. They will learn how to advertise their own branded chocolate bar and also about the techniques required to write a persuasive letter to Mrs Pettett! Year 3 will also explore how to write creatively.

## Reading:

Over the course of Term 3, Year 3 will be enjoying the story of Charlie and The Chocolate Factory. Within their reading lessons, they will explore how to answer retrieval, inference and choice questions. They will also devise their own questions based upon the text.

## Maths:

Within Mathes lessons, over Term 3, the children will learn all about money. They will learn how to convert from pounds to pence and also add, subtract and solve problems involving money. After this, the children will learn about statistics. This will involve learning about pictograms, bar charts and then interpreting data.

## Topic:

In our topic lessons we will have a geography focus. This will include using map skills to locate where cocoa is grown and why. We will consider the climate of where cocoa is grown and consider whether we could grow cocoa in the UK. We will also discuss fair trade and sustainable farming.

## Science:

During Term 3, the children will be studying plants. They will investigate how plants grow and what they need to survive. The children will also label and name parts of a plant and learn about their functions. They will also plant their own seeds and observe what happens!

# Year 3 Chocolate

## Enrichment:

Chocolate tasting  
Charlie and the Chocolate  
Factory dress up Day!

## Religious Education:

Our religious education will focus on the religious texts such as the Bible, the torah and the Quran.

## PSHE:

Our PSHE will focus on our dreams and goals. This will include facing things which we find challenging as well as recognising our own and others success.

## Physical Education:

P.E. Day in Year 3 will be on a Wednesday.  
This term children will be learning about 'cognitive skills'.  
Swimming on a Thursday for Dolphin Class.

## D.T.:

Our DT will focus on exploring materials and suitability. We will investigate how to package a chocolate bar so it is fit for purpose.
