

English

Throughout this term we will be focusing on 6 British Historical Heroes; William Wilberforce, Elizabeth Fry, Lord Shaftesbury, Florence Nightingale, Emmeline Pankhurst and Winston Churchill. Using this knowledge, we will be creating a range of text types including; diary entries, newspaper articles and information texts. We will look at our sentence structure and punctuation and how this changes within these different text types.

Science -

This term we will be continuing with the topic of Living Things and their Habitats. We will be looking at classifying living things in a variety of ways; looking at how environments can change and how this can affect them and the adaptations they make.

Maths

Our focus this term will be money and statistics. Using our addition and subtraction skills to solve problems involving both! On our return to school, our focus in maths will be multiplication and division.

Welcome back to Term 4 Year 4. We are all really proud of what you accomplished last term with your remote learning. Remember, you should be handing in your work on google classroom each day. If you are working on paper, try your best to take a photo of it to upload to GC as we want to see what amazing work you are doing.

Topic - History

Our Topic this term is British History Heroes. We will study their history, influences and the impact that they made on Britain today. Within art and DT we will be sculpting the faces of British heroes and creating portraits based on the eras in which they lived.

Music

From next term we are going to be doing music online! Make sure your adults have the Marvellous Me app as we are sending your login and passwords through that.
