

English

Our English will focus on writing a diary entry, being a reporter and writing a news report on the moon landing! We will be sending a postcard from space and writing a set of instructions on how to build a rocket.

Science - Living things and their Habitats

We will be continuing with this topic in science. This term we will be focusing on food chains, looking at predators, prey and micro habitats hidden within the school grounds.

Term 3 - Space!

Welcome Back to term 3 of Year 2!

We hope you enjoyed the Christmas break and are feeling ready for a term full of new things to learn!

Maths -

We will be continuing with multiplication and diving into division. We will be working with statistics as well as height and length. Lastly, we will be looking at shapes.

Topic - Geography and History

This term, we will be looking at the solar system and the place Earth holds within it. We will be researching the space race between the USSR and the USA. Researching significant individuals Neil Armstrong, Tim Peak and Mae C Jemison.

DT Week - We will use our developing design skills and link them to our space topic and create interesting and creative designs.
