

English

To link in with our Ancient Egypt topic, we will be reading Jake Atlas and the Tomb of The Emerald Snake by Rob Jones. We will be using this text as a base for our reading lessons and will be producing writing that includes narrative, description and factual writing.

Reading At Home

We would ask that every child completes at least 20 minutes of reading per week. This can be from a book of your child's choice, however we would request that you sign your child's book to confirm that this reading has been completed. They will need to hand this book into their class teacher on a Wednesday morning.

Science - Forces

Our science learning will take place over whole days, allowing the children to investigate what a force is, how it can be used, complete practical activities and evaluate their learning.

Swimming - Tuesday

Please bring in swim hats and towel in kit bag.

YR 4 - Term One Ancient Egypt

Welcome to Year 4! We hope you have had a great Summer and are ready for the next step of your learning journey. Read through the information on these two pages and hopefully any curriculum questions that you may have will be answered.

Maths

In maths, we will be focusing on place value, rounding numbers and fluent use of the four operations.

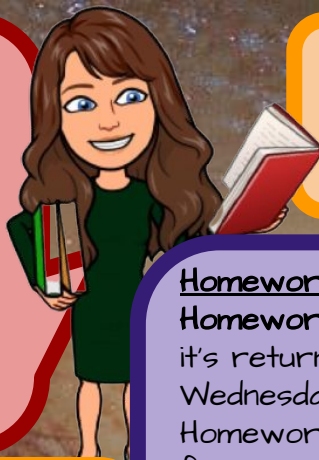

PE - Cognitive skills

Dingo - Wednesday
Wildcat - Wednesday
Eagle - Monday

Please remember to send your children to school in their kits on this day.

Topic - History. Ancient Egypt

Term One will see Year 4 learning about the Ancient Egyptians. We will learn about the process of mummification, the production of the pyramids, Pharaohs and their beliefs.

DT Week - There will be a week in Term One where we will focus on a design and technology skill for every afternoon that week.
