

Celebrating Year 3's Learning!

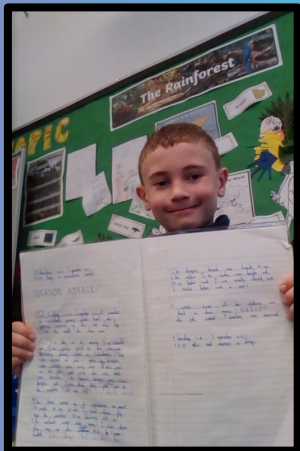

We are very proud of how well Year 3 have worked over the past term.

Have a look at the following slides to see some examples of their amazing work!

Well done to you all.

Celebrating Year 3's Learning

In English, Year 3 have worked incredibly hard to create a recount all about The Clock Tower. They used some amazing techniques in their writing, including expanded noun phrases, adverbs and adjectives.

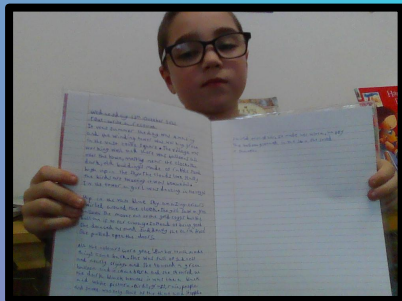

The children also learnt about paragraphs and how this helps to group information together.

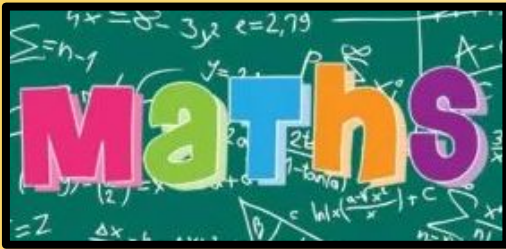

READING

In our reading lessons, Year 3 have been learning how to echo read and also how to retrieve information from a text. They have shown some amazing skills in echo reading and can apply natural and punctuated breaks within a text.

"I really like this book because I like the story."

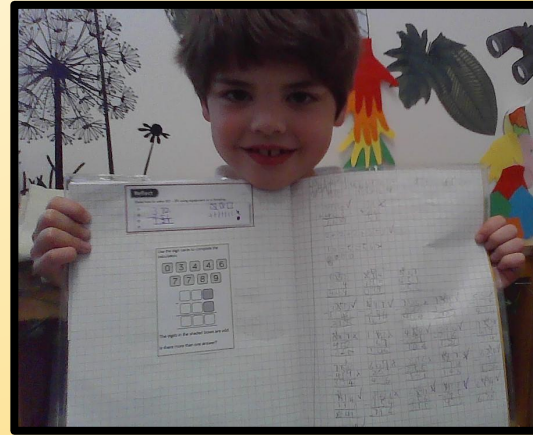

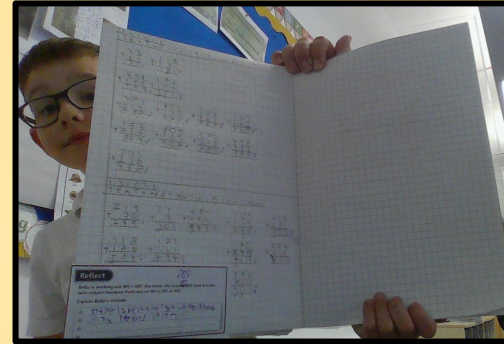

Celebrating Year 3's Learning

Within our Maths lessons this term the children have covered lots of new and exciting ways of recognising the place value of numbers and also addition and subtraction.

They have also been learning how to represent numbers in different ways, for example through part whole models or bar models.

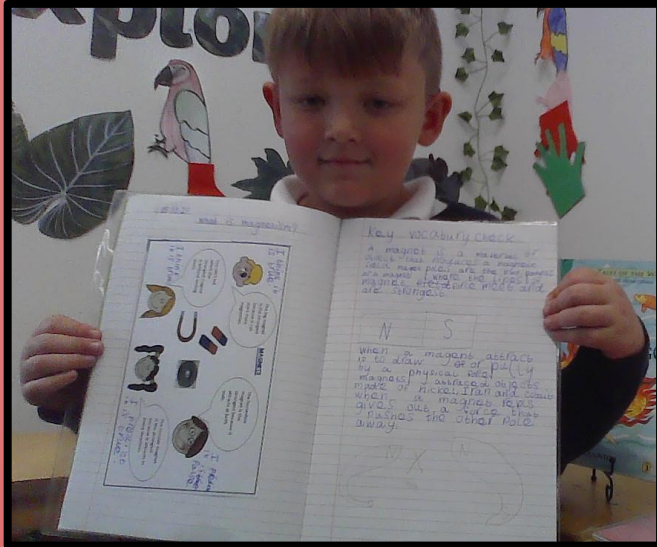

Celebrating Year 3's Learning

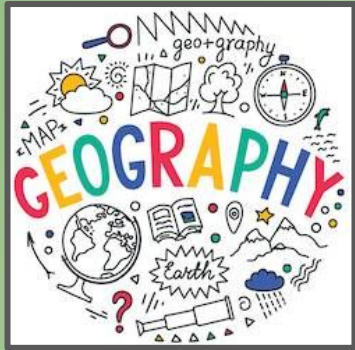

Year 3 have really enjoyed Science this term!

On our Science days in Term One, the children learnt all about Forces.

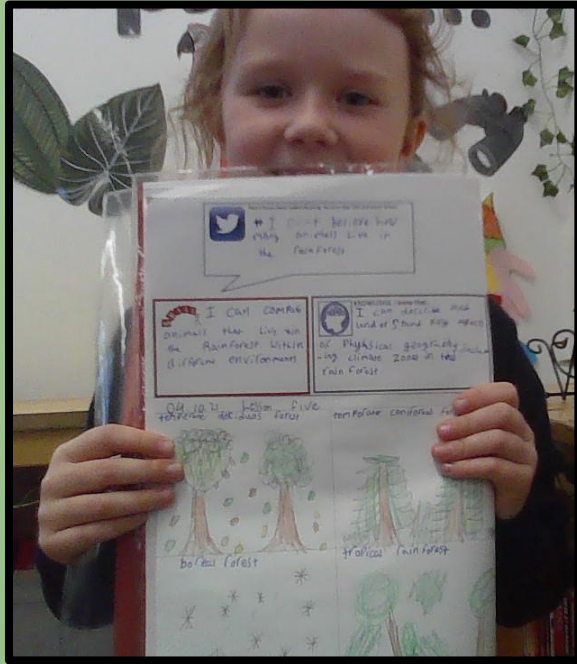

They explored many different ideas and then established the differences between magnetic and non magnetic materials.

They can discuss lots of information all about Forces!

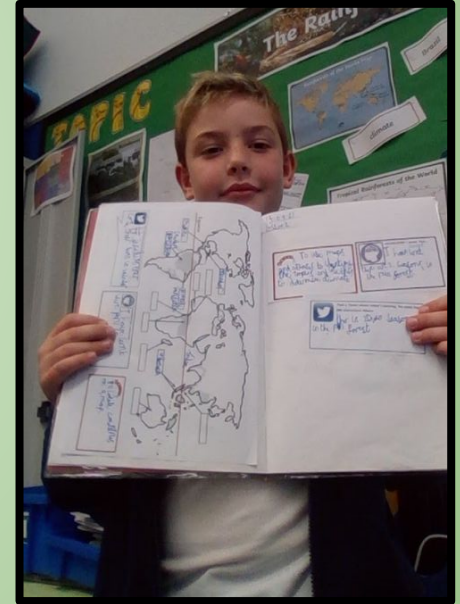

Celebrating Year 3's Learning

Rainforests have been the focus of our Geography lessons this term. The children have learnt about the location of the rainforest and also its climate.

They have discovered that there are many different layers to a rainforest - ask them all about them!

Celebrating Year 3's Learning

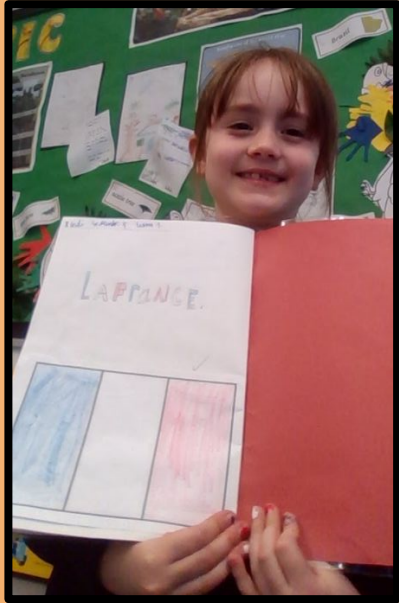

Over our Design and Technology week, the children were set a task to create a picture frame using structures.

They learnt about structures, and how they are designed and created. Have a look at some of their amazing work!

Celebrating Year 3's Learning

In French this term, the children have been learning how to introduce themselves.

They have worked exceptionally hard and can now say who they are in another language!

Well done!

"Bon Travail"

Well done!
Well done to all of you for working so hard in Term 1.
We are very proud of you!

Mrs Oswald, Miss De Lacey, Miss Waller
And all of the adults in Year 3
