

English

In our English lessons, Year 3 will focus on writing narratives, information texts, diary entries and descriptive writing.

We are looking forward to sharing the children's work with you.

Science

In Science, we are exploring electricity. This will include identifying common appliances that run on electricity. We will also be constructing a simple series electrical circuit, identifying and naming its basic parts.

Maths

Within Maths lessons, Year 3 will be learning about multiplication and division.

The children will learn how to represent numbers in various ways. They will also focus on their 3,4 and 8 times tables and their related number facts.

The children will apply their knowledge of problem solving and reasoning to solve questions.

Year 3 - Term 2 India

Year Three!

We are very excited to be starting a new term with Year 3. We have some amazing learning opportunities planned for Term 2 and we look forward to sharing the children's work with you.

Topic (Art & Design Technology, Geography and History):

Over the next term the children will be learning all about India. They will learn how to locate India on a map and compare this with Sittingbourne. They will also learn about the difference in the environment between life in India and within the United Kingdom.

Homework & Logins:

Year 3 Google Classroom: ubw6fjo

Epic!

Panda class: ams9714

Dolphin class: jgu8078

Panther class: uln2012

Oxford Owl:

Panda username: pandas99 Password: misswaller

Dolphin username: dolphinswps Password: wps2021

Panther username: Panthers2122 Password: Westlands2021

Language Angels username: westla1121 Password: lahome

Computing:

In Term 2, we will have an introduction to the internet and learning how devices communicate with each other. We will explore key components of devices as well as learning about how information is shared and explore real-world networks.
