# YR4 - Term Two Anglo Saxons

## Science:

We had great fun creating our own electrical circuits!  
We managed to make a lightbulb light up and a motor spin a fan!  
We also worked on understanding safety around electricity!

Maths: Our students have been learning about multiplication and division. This is a huge focus for our year group and we are really proud of their work:

Celebrating the holidays: Our students have enjoyed taking part in time honoured school traditions such as the Holiday Hoops decorate our corridors during the holiday season. They have also had the opportunity this year to decorate our school tree in the main hall. Here are some of their creations:
