

## English

To support our English writing, we will be using the text 'Stone Age Boy' by *Satoshi Kitamura*.

Throughout our lessons, the children will write a variety of different text types including a description, a diary entry and a narrative. We will also focus on our creative writing. There will also be a focus on sentence structure, possessive apostrophes, dictionary work as well as dictation.

In our Reading lessons, we will focus on 'Stig of the dump' by Clive King. We will focus on retrieval, interpret and choice questions.

## Homework

Homework will start on the first week of term 5. It will be set on a **Friday** and will be due in on the following **Wednesday**. Every week spellings will be set and we will alternate between comprehension and maths. A new Google Classroom has been set up for homework only and all home learning will be set on there. The children will join this Google Classroom in school and the new code will be sent out to parents within the first week. Children should also read every week and this need to be recorded on Google Classroom, on a Google Form.

## *Hello Year 3!*

We have almost made it to the final term of Year 3. We just have to keep pushing through and we can get there!

**Our topic this term is:**  
**The Stone Age to the Bronze Age**

## Maths

This term's learning will start with looking at fractions and spend half the term really understanding the concepts before moving on to revision for the rest of the term.

## Recommended Reads

Ug: *Boy Genius of the Stone Age - Raymond Briggs*

*The Secrets of Stonehenge - Mick Manning + Brita Granstrom*

## Science

Over Term 5, we will be looking at Rocks. This includes classifying different rocks and considering their uses.

## Topic

The children will be looking at the timelines of the different eras ensuring it is in chronological order before asking some key questions.

These include;

How did these people survive?

What was found at Skara Brae and why was it important?

What did copper mean to them and why was it mined?

Stonehenge: What does it tell us?

Hillforts: What was their purpose?

What answers do Druids give us about the past?

During Art week, the children will attempt to create cave drawings under the tables!

## Computing

### 'We are network engineers'

Over the term, the children have a focus on algorithms, they will then create a piece of work that illustrates the internet for someone from the Stone Age!

PE is on a Monday for Diamond class. Whilst Opal and Pearl have theirs on a Friday. Children need to wear full PE Kit into school all day. This term we are looking at applying physical agility.

## RE DAY

This term RE day is on the 21st May. We will focus on The Bible and religious texts, such as Guru Granth Sahib.

## PSHE

Our topic this term is Relationships. We will look at families, friendships, online relationships and being a global citizen.

## Music

Using the Charanga scheme, this term all the learning in this unit is based around one song: Bringing Us Together - a Disco song about friendship, peace, hope and unity.
