

English

We will be building on our writing skills through narratives, diary entries and descriptive texts. We will be exploring more sophisticated vocabulary as well as continuing to consolidate our knowledge of punctuation.

Maths

We will be exploring Fractions in three stages and looking at how these relate to decimals. Children will also be thinking about length and perimeter and how this can be calculated.

Term Three Year 4 Misty Mountain and Winding River!

Welcome back to Term 3!

We have another exciting term ahead of us!
If you have any questions, please speak to your child's class teacher.

P.E.

Otter Class: Monday and Thursday.
Starfish Class: Wednesday and Friday.

Geography

The children will think about the characteristics and features of rivers and mountain ranges around the world, including a detailed exploration of the ecosystems and processes that shape them and the land around them.

Science

In science we will study the States of Matter. This includes looking at solid, liquids and gases.

French

Year 4 will continue to learn core vocabulary linked to food. We will be learning the names of vegetables and revisiting le, la les.

Term Three Year 4 Misty Mountain and Winding River!

Physical Education

Children will develop and apply their dynamic balance on a line and use ball skills through focused development sessions, healthy competition, cooperative games and group Personal Best challenges.

Computing

In Term 3, children will be thinking about online safety, including how to report any safety worries. We will discover how digital games are rated and find out how to have a positive digital footprint. We will be mindful of what we detail online and of copyright rules..

Homework

Homework will be given out at the beginning of each new term with all instructions. Students will have the opportunity to choose from a grid and will be awarded Dojos based on their homework efforts. In addition, students are expected to read and access TTRockstars to develop these skills further. A printed piece of homework testing times tables skills will be issued weekly.

Religious Education

In R.E, Year 4 will be looking at 'What kind of a world did Jesus want? Children will explore the things Jesus said and modelled whilst he was on earth. We will reflect upon how others, both Christian and non-Christian, follow these ethics in their lives.

PSHE

This term, we will focus on 'Wellbeing'. The children will explore expression; thought gremlins; values and gratitude, challenges and the circle of kindness. These will help us to think about building happy and healthy lives.

Music

We will continue to follow the Charanga programme, with the opportunity to explore different genres of music and to follow and compose accompaniments to songs.

Art

Based on our topic of Misty Mountain, Winding River, we will create a painting, by using colour mixing with watercolour paints (including secondary and tertiary colours), as well as learnt techniques. Our focus artist is Claude Monet.
