

English

We will be building on our writing skills through narrative poetry and a formal letter. We will be exploring more sophisticated vocabulary as well as continuing to consolidate our knowledge of punctuation.

Maths

This term in Maths, we shall build on the children's knowledge of fractions. We will spend time focusing on improper fractions, as well as adding and subtracting two or more fractions. We will also introduce them to decimals.

Term Four Year 4 Misty Mountain and Winding River!

Welcome back to Term 4!

We have another exciting term ahead of us!
If you have any questions, please speak to your child's class teacher: Miss Owens, Mrs Lake and Miss Farrant.

P.E.

Sea Lion class - Monday & Thursday
Puffin & Turtle - Tuesday & Wednesday

Geography

The children will continue to learn about the characteristics and features of rivers and mountain ranges around the world, including a detailed exploration of the ecosystems and processes that shape them and the land around them.

Science

In science we will be learning about grouping living things, known as classification. They will study the animal and plant kingdoms and use and create classification keys to identify living things.
