

## English

Over Term 3, Year 3 will learn how to write a concise non chronological report, poetry, instructions and descriptive writing. They will develop their knowledge and understanding of writing techniques such as expanded noun phrases and fronted adverbials.

## Science

In Science lessons, Year 3 will be learning about contact and non-contact forces, including friction and magnetism. They investigate frictional and magnetic forces, and identify parts of a magnet and magnetic materials.

# Term Three Year 3 Rocks, Relics and Rumbles!

## Welcome back to Year 3!

We have an exciting term ahead of us! If you have any questions please ask your child's teacher.

## P.E.

Flamingo Class on a Wednesday

Manta Ray on a Monday

## Geography

In this project children will learn about the features and characteristics of Earth's layers, including a detailed exploration of volcanic, tectonic and seismic activities.

## Maths

Within our Math lessons, the children will continue to learn about multiplication and division. They will develop their skills further by learning how to multiply and divide with remainders. TT Rockstars: In Year 3, we focus on our 3, 4 and 8 times tables as well as continued fluency in with the 2, 5 and 10 times tables.

## Recommended Reads

### Computing

Our focus for Term Three, is to learn about Online Safety: knowing what makes an online stranger, learning ways to help others online, understanding PEGI ratings, creating a positive digital footprint and the basics of copyright rules.

### French

The children will study Little Red Riding Hood (Petit Chaperon rouge) and the story language which accompanies this traditional tale. This will build upon colour knowledge and greetings already learned.

### PSHE

In PSHE, our lessons are packed with ideas to help us build happy and healthy lives. Children will learn about the importance of talking and the different ways to express ourselves.

### Homework

All homework will be uploaded to Google Classroom and ClassDojo.  
Please ensure reading and TTRockstars is being completed at least 3 times a week.

### Design Technology / Forest School

Children will participate in a weekly Forest School session (this information has been sent to you). Within the classroom, children will learn about Healthy Eating.

### Physical Education

Within Physical Education, we will be focusing upon Dance. Within the unit, the focus will be upon the cognitive cog, when the children be able to explain what they are doing well and identify areas for improvement. Further to this, the children will develop their fundamental movement skills by practising dynamic balance and coordination.

### Music

Within Music, the children will continue to learn to play the recorders. They will be learning to play different chords and learning to play along to music.

### Religious Education

In year 3 we will be studying Sikhism. We will be exploring some key questions, such as 'Does joining the Khalsa make someone a better Sikh?', 'Do Sikhs think it is important to share?' and 'What is the best way for a Sikh to lead a good life?'
