

## **Happy 2026 Year 2!**

We have an exciting term ahead of us! If you have any questions please ask your child's teacher.

### **English**

In English, over Term 3, the children are going to be focusing on writing narratives, poetry and instructions.

We will be exploring a range of texts including the lighthouse keepers lunch and traditional fairy tales.

## **Year 2 Term 3 Coastlines**

### **Home Learning**

Just a reminder that homework has ongoing projects which are sent out at the start of term as well as weekly spellings uploaded into google classroom.

Reading books will go home on Friday and must be returned on Wednesday.

### **Geography**

In Geography this term, we are focusing on the coastline. It teaches children about the physical and human features of coastal regions across the United Kingdom, including a detailed exploration of the coastal town of Whitby, in Yorkshire.

### **Maths**

Within our Maths lessons, the children will be learning multiplication and division. There will be a focus on 2, 5 and 10x tables.

**Numbots:** Children can access this at home. Log in details are in their orange homework books.

**TT Rockstars:** In Year 2, we focus on our 2, 5 and 10 times tables. These can be practised on TT Rockstars. The log in details are the same for this as numbots.

## **Computing**

Our focus for Term 3 is online safety. The children will be learning about how to be safe online and the potential risks to look out for.

## **Religious Education**

We will be looking at the Humanism and exploring their believe of treating others the way you wish to be treated.

## **PSHE**

This term in PSHE the children are going to be learning well-being. They will learn about their values and discuss feeling like gratitude and kindness.

# **Year 2 Term 3 Coastlines**

## **P.E.**

Tuesday (Inside) Thursday (Outside)

Please remember that earrings need to be taken out and correct PE Kit worn to school that day.

## **Science**

This project teaches children about the uses of everyday materials and how materials' properties make them suitable or unsuitable for specific purposes. They begin to explore how materials can be changed.

## **DT**

The children will be enjoying looking at and then building their own beach huts!

## **Physical Education**

Our third 'Real PE' unit er focus on developing and applying their dynamic balance on a line and stance through focused skill development sessions, cooperative and competitive games.

## **Dance**

In this unit, the children will learn and develop shapes and circles and create sequences of movement with these through partnering and artistry.

## **Music**

This term we are starting a new scheme called sing up.
