

## English

Over Term 5, Year 3 will write a range of different genres. They will learn how to write a transformational narrative, description and a formal letter.

They will develop their knowledge and understanding of writing techniques such as applying expanded noun phrases and sophisticated vocabulary.

## Science

In Science lessons, Year 3 will learn all about Light and Shadows. Children will investigate the phenomena of reflections and shadows and the risks associated with the Sun are also explored.

# Term Five Year 3 Emperors and Empires!

Welcome back to  
Year 3!

We have an exciting term ahead of us! If you have any questions please ask your child's teacher.

## P.E.

P.E. will be on a Wednesday  
and Friday.

## History

This project teaches children about the history and structure of ancient Rome and the Roman Empire, including a detailed exploration of the Romanisation of Britain.

## Maths

Within our Maths lessons, the children will learn about Fractions and Mass & Capacity.

They will continue to practise applying the four operations and questioning the most efficient methods to solve mathematical problems.

TT Rockstars: In Year 3, we focus on our 3, 4 and 8 times tables as well as continued fluency in with the 2, 5 and 10 times tables

## Recommended Reads

## French

Within our French lessons the children will learn about Colours and Numbers. They will learn how to count up to 10 in French!

## Computing

Our focus for Term Five is Applied Coding. The children will explore Micro Bits and learn how to programme them in variety of ways.

## PSHE

In PSHE, the children will explore 'Friendship.' They will consider areas such as healthy friendships, empathy and peer pressure.

## Homework

All homework will be uploaded to Google Classroom and ClassDojo. Please ensure reading and TTRockstars are being completed at least 3 times a week.

## DT

Over Term 5, the children will learn about sculpture in design technology and will look at greenhouses.

## Physical Education

In this unit, the children will focus on the 'Physical' Cog of their learning. They will learn to perform a range of skills with some control and consistency.

## Music

In our Music lessons, the children will listen and appraise the song: Bring Us Together. The children will listen to the disco style song, all about friendship, peace, hope and unity. They will learn to discuss it and give their opinions.

## Religious Education

In year 3 we will be studying Sikhism. We will be exploring some key questions, such as 'Does joining the Khalsa make someone a better Sikh?', 'Do Sikhs think it is important to share?' and 'What is the best way for a Sikh to lead a good life?'
