

We are looking forward to welcoming back our students after the holidays.

Read through the information on these two pages for updates on learning for Term 5.

### Reading At Home

We would ask that every child completes at least 20 minutes of reading per week. This can be from a book of your child's choice, however we would request that you sign your child's book to confirm that this reading has been completed. They will need to hand this book into their class teacher on a Wednesday morning.

### RE

We will be completing an RE day during the term based on the celebration of Easter and Religious Buildings.

### Science

Our science learning will be all about Animals including Humans this term.

## YR4 - Term Five Our European Neighbours

### English

During English, we will be looking at poetry and persuasive writing based on different countries in Europe. The children will be also given the opportunity to create their own fairytale through some creative writing.

### Swimming

DINGO class will be swimming on a Tuesday this term.

### Maths

Maths this term we are looking at Time, Statistics and Position and Direction. All of these topics will be looking at the skills needed before being linked to the topic this term.

### PE

Dingo - Wednesday  
Wildcat - Monday/Thursday  
Eagle - Monday/Friday

Please remember to send your children to school in their kits on this day.

## Geography - European Neighbours

Our learning in term 5 will be centered around our European Neighbours. We will learn about the similarities and differences between the countries and discover more about each country's culture.

## DT Week

There will be a week in Term 5 when the children will be working on the skill of mechanisms.
