

Well done to all of reception for their ongoing hard work and smiling faces this term.

What have we found?

This Term we looked at different animals! We have looked at farm animals, jungle animals, minibeasts and ended with dinosaurs. We are still growing our caterpillars into butterflies.

We have been very artistic this term! Look at these beautiful chalk drawings inspired by the story, Chalk.

We used our hands to make these wonderful dinosaur paintings.

We have enjoyed our lovely outdoor area making dinosaurs with the octoplay!

Also we enjoyed working as a team in our sandpit!

We have enjoyed our small world play, retelling our focus stories.

Rooooooar!

Look at
my
delicious
mud pie!

We have enjoyed making some delicious recipes in our mud kitchen!
