

We are looking forward to welcoming back our students after the holidays.

Read through the information on these two pages for updates on learning for Term 5.

Reading At Home

We would ask that every child completes at least 20 minutes of reading per week. This can be from a book of your child's choice, however we would request that you sign your child's book to confirm that this reading has been completed. They will need to hand this book into their class teacher on a Wednesday morning.

RE

We will be completing an RE day during the term based on the celebration of Easter and Religious Buildings.

Science

Our science learning will be all about Animals and their environment.

YR4 - Term Five Our European Neighbours

English

During English, we will be looking at poetry and persuasive writing based around the coronation of our new King. We will be reading some of the Grimm Brothers' traditional fairy tales as well as working on our inference skills.

Maths

Maths this term begins with decimals and then we move on to focus on time and money. Children will also be introduced to the topic of shape when they are not part of the cooking group.

PE

Dingo - Monday & Wednesday

Tiger - Monday & Wednesday

Falcon - Wednesday & Friday

Please remember to send your children to school in their kits on this day.

Geography - European Neighbours

Our learning in term 5 will be centered around our European Neighbours. We will learn about the similarities and differences between the countries and discover more about each country's culture.

Art Week

During art week, children will be encouraged to produce one piece of artwork based on a theme of their choice.

PSHE Term 5's Jigsaw topic is Relationships.

Music

This term we are going to be looking at The Beatles.

Computing

Coding with Scratch - We are going to spend some time using scratch and look at how to code.

French

This term we are focusing on Weather and Dates.

Cooking:

This term half of each class will be cooking, the remaining half will cook next term.

Dingo - Monday

Tiger - Wednesday

Falcon - Tuesday

Please provide your child with a container to bring home their creations in.

Homework

Set: Friday

Return : Wednesday

Homework will include spellings, reading and English/Maths
