

Year 4, Term 4 - On our doorstep

English

In English this term we will be linking our learning to *Voice in the park* by Anthony Browne. We will be using this text to influence our reading and writing lessons. We will be producing a variety of text types, including an information text, a narrative as well as some journalistic writing.

Maths

In Term Four, pupils will be learning about fractions. We will be looking at mixed numbers and improper fractions, as well as using fractions in addition and subtraction questions.

Science - States of matter

This term, pupils will be learning all about states of matter. We will be investigating how states of matter change and the processes needed for this to happen.

Topic - On our doorstep

By studying our local area children will be understanding the history and location of our local area. It will allow children to consider the environmental and physical geography of the area and discussing how environmentally friendly our local area is and the ways in which this can be improved.

At Home Reading

We would ask that every child completes at least **20 minutes of reading per week**. This can be from a book of your child's choice, however we would request that you **sign your child's book** to confirm that this reading has been completed. They will need to hand this book into their class teacher on a Wednesday morning.

Year 4, Term 4 - On our doorstep

Homework

Homework - Set on Fridays for it's return the following Wednesday.

Homework will include spellings for your child's class, reading and English/Maths homework every week.

Computing - HTML editors

We will be creating a web page about the local area.

PE Days

(No earrings and hair tied up please)

Dingo - Tuesday & Wednesday

Tiger - Tuesday & Wednesday

Falcon - Tuesday & Wednesday

Please remember to send your children to school in their PE kits on this day.
