

English

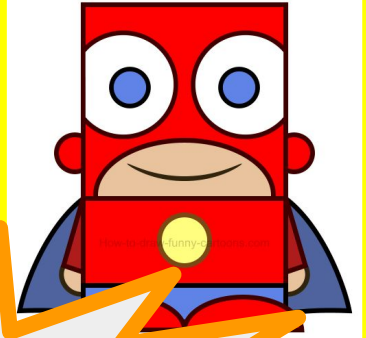

The children have daily phonics lessons using Little Wandle sessions to develop their understanding of phonics, their ability to spell and to develop reading skills.

The children also have a text-based lesson where they share ideas, build their vocabulary and practice their writing skills.

We will be writing reports, instructions, poems and recounts. Key learning in phonics and writing is to: hold a pencil correctly; sound out the sounds they can hear in a word; form letters correctly; say and then write a sentence or sentences!

Maths

The children will develop their understanding of numbers to 20 and their value. We will be sorting objects and numbers and will develop their understanding of addition and subtraction, learning the place value of these numbers. We will be learning to recognise and name 2D shapes.

How exciting to be starting a new year, a new term! Welcome to Year 1!

Year 1 Term 1 - Superheroes!

Recommended Reads -
First News - children's newspaper
Any of the Supertato books by Sue Hendra

Year 1's PE day is Friday.

RE

In RE this term we are learning about being thankful especially at Harvest time and how Christians mark Harvest times.

Music using Charanga- My musical heartbeat!

This term the children will learn about the 'heartbeat' of music - the pulse and enjoy playing instruments in time to the music!
