

English - War Horse, Michael Morpurgo

We are continuing to use Warhorse for our English writing. Children have thoroughly enjoyed the story of Albert, Joey and their adventures together. We are excited to draw this book to a conclusion and emphasise our writing techniques in our books.

Year 6 - Term 2 WWI & II

Welcome to Year 6!

Science -

Throughout this term, we will be learning about Adaptations and Inheritance. We will study how fossils can tell us all about our history, as well as recognising how living things have changed over time, adapting to new climate and land changes.

Maths

In Maths lessons this term, we will be looking at fractions and all the elements.

Adding, subtracting, multiplying and dividing fractions are our initial focus', leading on to fractions of amounts and converting from mixed number fractions to improper fractions.

Reminders -

Please remember that long hair should always be tied up for school.

Remember to make sure you bring a water bottle into school every day - plain or flavoured water.

Coats must be brought in this term due to the cold weather.

Gecko - 36vlgdb Parrot - wrtibqc

Topic - HISTORY WWII

This term we will move on to learning about WWII. We will cover the different, but significant, roles of women during the war. We will also look at the holocaust, rationing and how children were evacuated during the war.

We are planning a topic themed day, based around World War One. Children will have the opportunity to dress up as evacuees and spend the day as a WW1 child. More information will be given on this soon.

P.E. Days (no earrings and hair tied up please)

VIPER - Monday and Thursday

WOLF - Monday and swimming Tuesday

PARROT - Monday and Friday

GECKO - Monday and swimming Tuesday

Music -

In Term 2, we are switching our focus to 'Classroom Jazz'. We will be listening, appraising and performing two pieces; Bacharach Anorak and Meet The Blues.

READING

In year 6 we would like you to read at least three times a week for 20 minutes. You can read any book you like from home or school and even listen to audiobooks. Just remember to write down what you have read each time.

HOMEWORK

This will be issued on Fridays and returned by the following Wednesday. We will be sending home maths, comprehension and spellings for a weekly test.

Computing -

Computing continues from online safety, onto Big Data. This includes barcodes and QR codes and the relevance of codes. This ties in well with our World War One topic lessons about messages and coding.

PSHE -

We will use the Jigsaw programme of learning in PSHE to think about ourselves and how we identify ourselves. Term 2 unit is all about how we celebrate differences.
