

## English

Within our English lessons during Term 4, the children will learn how to write formal letters. They will learn about poetic techniques and will create their own poems. Year 3 will also write a narrative and will use drama and role-play to develop their creative writing skills.

## Science

The children's focus for Science this term is Living Things and Their Habitats. Within this unit, the children will learn all about how we can group living things. We will also consider our environment and the habitats that are all around us.

# Term Four Year 3 All About The United Kingdom

## Welcome back to Year 3!

We have another exciting term ahead of us! If you have any questions please ask your child's teacher.

## Useful information

P.E. will be on **Thursdays** and **Fridays.**

**Starfish class will be swimming as their P.E. lesson on a Thursday.** Please ensure you have the correct kit required.

## Geography

Within our *Geography* lessons, the children will go on a tour around the UK using maps and Google Maps. We will learn all about the countries and cities. We will locate rivers, seas, mountains and other areas of high ground. Then discover how London has grown over time.

## Maths

In our Maths lessons, the children will continue to learn about Length and Perimeter. They will learn how to measure in mm, cm and m. We will then begin to explore Fractions. This will focus on unit and non-unit fractions, putting fractions on a numberline and counting in fractions.
