

English - Mortal Engines, Philip Reeve

The children will continue reading 'Mortal Engines' by Philip Reeve, using it as a backdrop for some of their written work. The book looks at a dystopian world, where towns and cities are on wheels and they roam the face of a ravaged Earth, scavenging and even destroying each other!

Maths

To consolidate their learning in Maths, the children will complete a number of real-life style investigations and projects. To continue to support your child, please help them with their times tables. They can use resources such as TT Rockstars, or play some of the games online such as 'Daily Ten' on the Topmarks website.

Year 6 - Term 6

The Geography of Argentina

Reminders

As the weather becomes warmer, please send your child into school with suncream (with a completed consent form). Caps are also a great way to protect faces and necks when out at play.

Your child must only have water in their bottle for school - no juice, squash, or fizzy drinks. Children should also not have sweets, gum and bars of chocolate in their packed lunches, or as breaktime snacks. Fruit, veg or cheese and great break time snacks. Please can grapes be cut in half to avoid the risk of choking. On PE days, please ensure long hair is tied up and earrings are removed.

Please ensure your child has the correct uniform and PE kit. See the website for details. Also, we ask that children do not wear 'Smart' watches to school. Thank you!

Science -

Following our learning about living things and their habitats last term, the children will be taught the Year 6 content of the Relationship and Sex Education curriculum. More details will be sent out on Weduc before any lessons are taught.

Geography – Argentina

Following a successful unit of learning about Brazil in Term 5, the children will be finding out about Argentina. This will give pupils great opportunities to compare and contrast Argentina with its close neighbour Brazil, as well as with the UK. We will use maps and online media to explore Argentina's cities, geographical features and population.

P.E. Days (no earrings and long hair tied up please)

VIPER – PE Monday/Forest School Tuesdays (whole class) no PE on Wednesday

WOLF – Monday and Thursday

PARROT – Monday and Tuesday

GECKO – Monday and Wednesday

Design and Technology

In DT this term, we will explore cams; learning that different shaped cams produce different follower movements. We will also explore types of motions and direction of a motion, as well as use knowledge of cams, levers, pulleys and gears to create a product with a variety of motions.

Music -

Our learning in Music this term will be in preparation for our exciting productions of The Lion King!

When singing, pupils will focus on tone, pitch, dynamics, tempo and timing.

READING

In Year 6, we would like you to read at least three times a week for 20 minutes. You can read any book you like from home or school and even listen to audiobooks. Just remember to write down what you have read each time.

HOMEWORK

This will be issued on Fridays and returned by the following Wednesday. We will be sending home maths, comprehension and spellings for a weekly test.

Computing -

This will be our 'skills showcase', where the children invent a product:

- *Computer Aided Design
- * Website Design
- *Video Advertisements

PSHE -

Our PSHE will dovetail with our Science this term, covering elements of Relationship and Sex Education, including positive relationships, self-image, puberty, and conception.
