

English - Refugee, Alan Gratz

We are starting to look at Refugee by Alan Gratz. We will look at the story and journey of three main characters and how their journeys differ, but also are linked. The book will appeal to the children and they will be able to feel the emotion and feelings of the characters.

Maths

Following on from our terms on fractions, we are going to look at algebra, decimals and percentages.

We will look at percentages of amounts, decimal places and also values of letters in algebraic sentences.

Children will gain an understanding in greater detail of number and values.

Year 6 - Term 3 Germany

Welcome to Year 6!

Science -

In terms 3 and 4 we are looking at 'Changes of State'. This includes focussing on properties of materials and how they can change when an element is changed or added. We will also be looking at chemical changes that can be reversible and irreversible.

Gecko - 36vlgdb Parrot - wrtibqc

Topic - Geography - Germany

We are switching our focus from History, towards Geography for Term 3.

Children will look at the geographical information about Germany. We will be looking at the neighbouring countries, the global position of Germany, landmarks, trade and climate.

Exploring new countries in more detail is hoping to enhance their knowledge and understanding of countries within Europe.

P.E. Days (no earrings and hair tied up please)

VIPER - PE Monday and Swimming Tuesday

WOLF - PE Monday and PE Thursday

PARROT - PE Monday and Swimming Tuesday

GECKO - PE Monday and PE Thursday

Music - This Unit of Work celebrates a wide range of musical styles. Lessons support the key areas of the English Model Music Curriculum; Listening, Singing, Playing Composing and Performing. The styles we are looking at are Disco and La Bamba.

READING

In year 6 we would like you to read at least three times a week for 20 minutes. You can read any book you like from home or school and even listen to audiobooks. Just remember to write down what you have read each time.

HOMEWORK

This will be issued on Fridays and returned by the following Wednesday. We will be sending home maths, comprehension and spellings for a weekly test.

Computing -

We are continuing with our research and work on Data Handling and the History of Computing. The children will look at the original computers and see how, over time, they have developed and adapted to keep up with how times have changed.

PSHE -

We will use the Jigsaw programme of learning in PSHE to think about ourselves and how we identify ourselves. Term 3 unit is all about Dreams and Goals..
