Dear Parents and Carers

We have been notified by the Kent Community Health NHS Foundation Trust that they will be holding a pop-up clinic to administer Covid vaccinations to children aged between 5 and 11.

This is clearly a personal preference as to whether or not you would like to vaccinate your child against Covid, but if you would like to take advantage of the clinic you should book in advance as no walk-in appointments are available. You can making your booking at the following link:
