

Westlands Primary School Remote Learning offer

Remote learning for EYFS

Emerald Class, Amber Class and Ruby Class

If an individual pupil needs to self isolate

Year R parents should access the Oak Academy for daily lessons:

<https://www.thenational.academy/>

If you do not have internet access please contact the school office.

If the Year Group Bubble closes...

We will switch to using google classroom - login details will be sent home.

We are aiming to deliver the following each week:

*Daily carpet session input

- This can be in the form of a clip, link, video, suggested activity etc but will be as similar as possible to the carpet session the children would have in school.
-

*Daily phonics input video

*Daily maths input video

- This may not always be a video but might be a link or a suggested activity but will link exactly to the maths carpet session the children are having in school.

*Weekly story video

- The week starts with a story video of the book that the children are learning about that week.

We will also share different activity ideas with you for you to do at home that are creative and engaging as well as different website ideas.

If you can't access google classroom:

- 1) Contact the school office and request paper resources.**

Google Classroom, Getepic; Numbot and Oxford Owl login details will be shared via Weduc or Marvellous Me.

Remote learning for year 1

Topaz, Sapphire & Garnet

If an individual pupil needs to self isolate

Parents should access the Oak Academy for daily lessons:

<https://www.thenational.academy/>

If you do not have internet access please contact the school office.

If the Year Group Bubble closes...we will switch to our self-isolation google classroom - We aim to provide:

*Daily English input

- This can be in the form of a clip, link, video, suggested activity etc but will be as similar as possible to the carpet session the children would have in school.

*Daily phonics input video - There will be 3 video clips each day offering children of a range of abilities access to phonics teaching at their level each day.

*Daily maths input

- This may not always be a video but might be a link or a suggested activity but will link exactly to the maths carpet session the children are having in school.

*Weekly Science input

- This may be a video link following the learning in Science that would have taken place in class.

*Weekly Freeflow input

- This may be related to the learning in English and maybe a video sharing different activity ideas with you for you to do at home that are creative and engaging.

*Weekly story video

- Each week 3 story videos will be posted.

*Weekly Quiz

- Each week a quiz-for-fun will be posted for children to enjoy!

Self-isolating google classroom code:
iixlosz

If you can't access google classroom:

- 1) **Contact the school office and request paper resources.**
- 2) **Contact the school office and resources can be sent via Weduc or personal email.**

Login details are available via Weduc or Marvellous Me for:

Google Classroom, Numbots,
Oxford Owl & Get Epic

Remote learning for Year 2 - 6

If an individual pupil needs to self isolate

You will be sent the **Self Isolation Google Classroom code** for your child's year group. The work that is being done in school will be posted there each day, so that your child stays up-to-date. If you do not have internet access, please contact the school office for paper copies.

If the year group bubble closes...we will switch to a **Self Isolation Google Classroom** for your child's year group, as opposed to the regular one that is used for homework. You will be sent the code via Marvellous Me and Weduc- it will also be posted on their usual Google Classroom with a link to help you join easily. We aim to provide:

*We will send the slideshows and resources that are being used for your child's year group in school. If the whole year group is closed, you will be sent the lessons that were planned for delivery during that period.

*Daily Early Morning Work

*Daily Reading activities

*A daily English lesson

*A daily Maths lesson

*Times tables practice

*A set of spellings

*A Topic lesson

*Resources that support the learning - such as teaching videos

*A story read (or a chapter for UKS2) per day

*Lessons that would have been covered if children had been in class; such as PSHE/Science or Art. This varies week to week.

If you can't access google classroom:

If you can't access google classroom:
