

English

In English this term, Year 5 will be learning how to write some exceptional pieces of narrative writing. They will recap on key skills from Punctuation and Grammar and also explore their own creative flares!

Reading: In class, Year 5 will be reading Skellig.

Science

Within Science lessons, Year 5 will embark on a new topic learning about Animals and Living Things. They will investigate key features which include organisms, life processes and environments.

Maths

Year 5 will continue to learn about fractions, in many forms. This will include adding, subtracting and multiplying fractions. We will also recap on key skills and strategies across mathematics.

Term 5 Japan

Year 5 have worked exceptionally hard over Term 4 and settled back into school well.

We are looking forward to another fantastic term with the children and teaching lots of new concepts!

Topic (Art & Design Technology, Geography and History)

In our Topic lessons this term, Year 5 will be learning all about Japan. They will research and discover its locality, its relationship to longitude and latitude and the culture that has developed over many years. They will learn how to use maps and explore the continent of Asia.

Within Art Week, students will learn about primary and secondary colours and also contrasting colours.

PSHE:

Please see attached leaflet from Jigsaw.

Relationships: Recognising Me, Safety and being in Online Communities, Online Gaming and Technology.

Homework & Logins:

Epic!
