English
This term the children will continue to develop their phonic knowledge through daily lessons.
They will develop their skills in writing through learning about Sittingbourne, they will write instructions to make their own paper and create a book about Sittingbourne.

Science
This term the children will develop their understanding of different materials. They will think about natural and man-made materials; how we can group them and learn about the uses of glass, wood, metal and fabrics

Maths
The children will continue to develop their knowledge of numbers to 50 moving on to 100. They will count in 2s, 5s and 10s and be able to draw groups of numbers to lead into learning about multiplication and division. The children will begin to develop their understanding of how to find half of shapes and numbers.
