

# Westlands Primary School Newsletter

05/02/21

Dear Parents and Carers,

This week we have tried our first live question and answer sessions on Google Classroom in years 3, 4, 5 and 6 and they have been a success. If you have not yet joined one, please make sure you do when you see the invite on your Google Classroom.

Please can we remind you that this is for the children and if any parents have individual questions then please do contact the office who will then ask the class teacher to call you.

Stay Safe  
Westlands Primary School

Just a reminder that if you log into your child's Google Classroom using a different email address to their school address, then you will not have the correct permissions. The only way it will work, is if you log in with their school email that has been sent to you previously.

Google Classroom

**A gentle reminder that the school will be closed during half term  
(week beginning 15th February) for Key workers.**

**We will reopen on Monday 22nd February for Key workers only and  
hope to be able to share more information next term about the  
school reopening to other children when we are informed by the  
government.**

**SAFETY**

# Stay safe online

Remember the 5 SMART rules when using the Internet and mobile phones.

**S**

**SAFE** Keep safe by being careful not to give out personal information when you're chatting or posting online. Personal information includes your email address, phone number and password.

**M**

**MEET** Meeting someone you have only been in touch with online can be dangerous. Only do so with your parents' or carers' permission and even then only when they can be present.

**A**

**ACCEPTING** Accepting emails, IM messages, or opening files, pictures or texts from people you don't know or trust can lead to problems – they may contain viruses or nasty messages!

**R**

**RELIABLE** Someone online might lie about who they are, and information on the internet may not be true. Always check information with other websites, books or someone who knows.

**T**

**TELL** Tell your parent, carer or a trusted adult if someone or something makes you feel uncomfortable or worried, or if you or someone you know is being bullied online.

Safer  
Internet  
Day

On Tuesday 9th February it is safer internet day. With children learning remotely we wanted to share a link for parents as we feel now, more than ever, it is important to raise awareness.

Teachers have planned work around this for Google Classroom and the teachers in school will be delivering lessons with this as a focus.

# Bottle Moments

<https://www.bottlemoments.com/covid-19-kids>

**Calling all kids!**  
*What are you dreaming of doing once the pandemic is over?*

**Why don't you try this as a family!**

**Create your own bottle moment of something you would most like to do when the pandemic is all over! You can even enter it into the competition.**

**Follow the link for more instructions!**

Kane

Wellness task  
Kindness is the colour of a rainbow  
It smells like candy floss  
It sounds like birds cheeping  
It looks like a love heart  
It tastes like sweets  
When I am kind I feel warm and snuggly

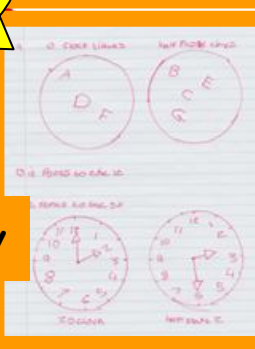

Tommy

In maths, Year 4 have been practising their time skills

Everyday a wellness task is given to Year 4, here are some of the outcomes.
