

Term 4 in Year 2

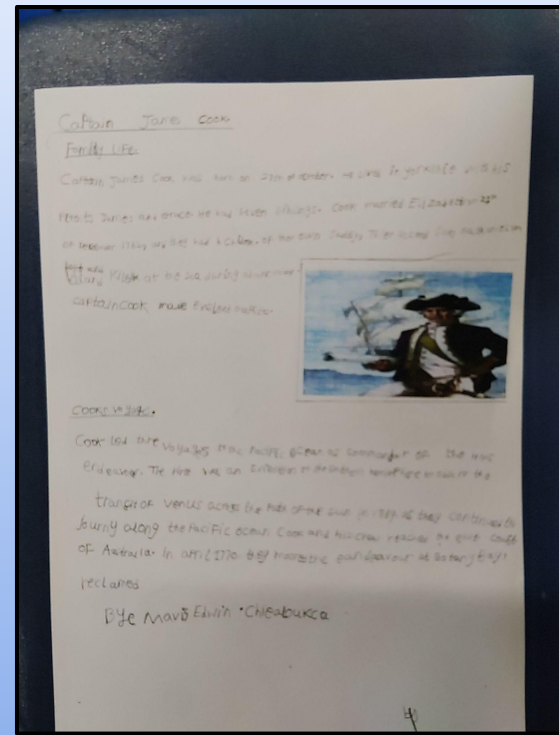

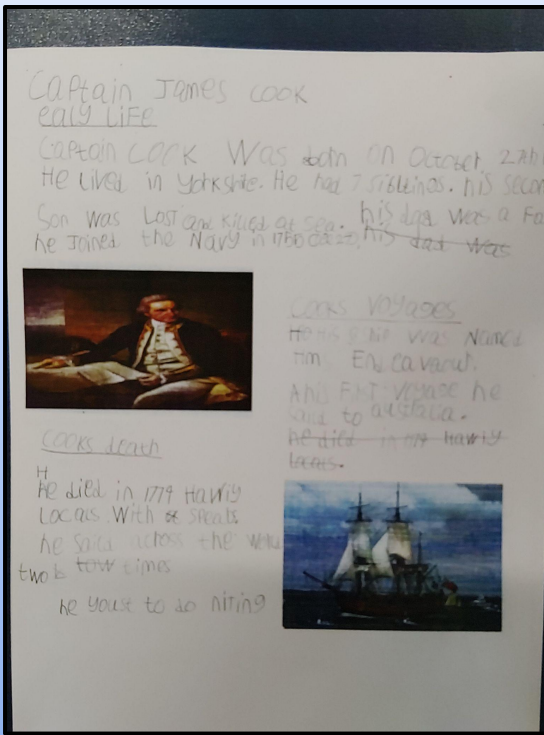

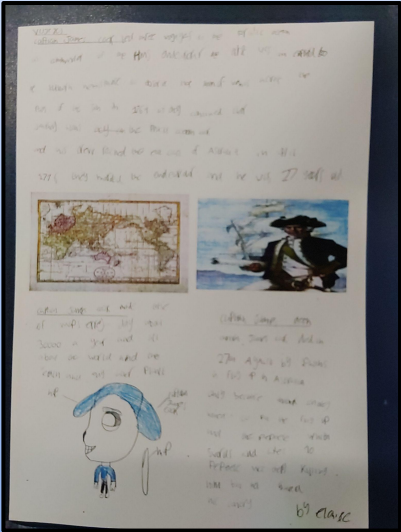

We are very proud of how well Year 2 have worked over the past term.

Have a look at the following slides to see some examples of their amazing work!
Well done to you all.

Celebrating Year 2's Learning

The image shows a blue banner with the text "Celebrating Year 2's Learning" in a black, hand-drawn font. Below the banner is a photograph of a student's handwriting practice paper. The paper has a grid of lines and contains several lines of handwritten text in cursive script, which appears to be a mix of letters and numbers.

Year 2 has been working incredibly hard in their English lessons during Term 4.

We have been exploring non fiction writing including information texts on Captain James Cook and diary entries from Grace Darling.

Year 2 has been working incredibly hard in their English lessons during Term 4.

We have been exploring non fiction writing including information texts on Captain James Cook and diary entries from Grace Darling.

Celebrating Year
2's Learning

In Term 4, Year 2 have been exploring the unit 'Measure'. This included learning mass, capacity and temperature. We finished the unit with some real life learning by making cakes and making mocktails!

We have also had a focus on our times tables. This term it was our 10 times tables. We have been competing on TTRockstars to help get some practise in! Both classes are working super hard!

Celebrating Year
2's Learning

During Term 4, Year 2 have been looking at Materials.

We have looked at what different materials there are, what are their uses and why they are suitable for their use.

We have completed some experiments this term. The most recent one was where we tested if materials could bend, twist, stretch or be squashed.

Celebrating Year
2's Learning

In our Curriculum Driver, we have been looking at Pirates, Captain James Cook as well as Oceans, seas and continents. We also created some treasure maps.

Throughout Term 4 in PSHE, we have been looking at being healthy. This has included thinking about medicines; what we take them for and how to keep safe around them. We have also thought about staying healthy by eating and drinking the right things as well as exercising.

Celebrating Year
2's Learning

This term in DT we worked
with wood to create Beach
Huts.

The children have created
some fantastic, colourful beach
huts. They also completed some
beach drawings when we visited
Margate.

Celebrating Year
2's Learning

Wow!
All of the staff have been so impressed with how busy you have been at home.
You have been amazingly creative and we are very proud of all of your achievements.
Well done!

Amelia's Sea Shanty

Oh, the Sea it calls to me,
With waves as far as the eye
can see
We'll hoist the sails and off
we go,
To where the wild wind blow

Yo ho Yo ho, a sailor's life for
with salty spray and rolling sea
We'll sing our songs and raise a
cheer
For the life of a sailor, we
hold dear

Amelia showing us what
she enjoys doing and her
sea shanty

We celebrated Austin
being Player of the
Match! What an
achievement!
