

Celebrating Year 3's Learning!

*We are very proud of how well Year 3 have worked
over the past term.*

*Have a look at the following slides to see some
examples of their amazing work!*

Well done to you all.

Celebrating Year 3's Learning

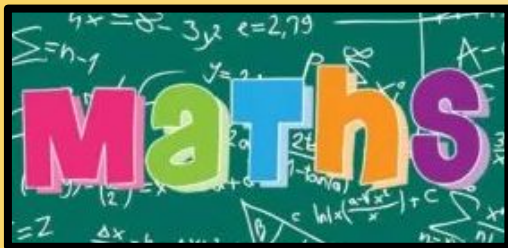

Over Term 3, the children have been learning how to write some amazing stories. They have written a version of Little Red Riding Hood and created their own twisted endings.

They wrote the stories alongside National Storytelling Week.

AS Little Red Riding Hood walked through
the peaceful, gentle Forest she picked
little, pocket-sized flowers. The mean, but
wolf tricked her but she did not call
the wolf was so mean and went home
was running he became more and
more slow when he reached the cave
he knocked on the door knock
knock. one minute later
the hoarse voice from grandma

READING

The focus text for this term has been The Firework-Maker's Daughter by Philip Pullman and a variety of unseen factual texts. The children have been focusing upon their reading skills; including reading with expression and fluency.

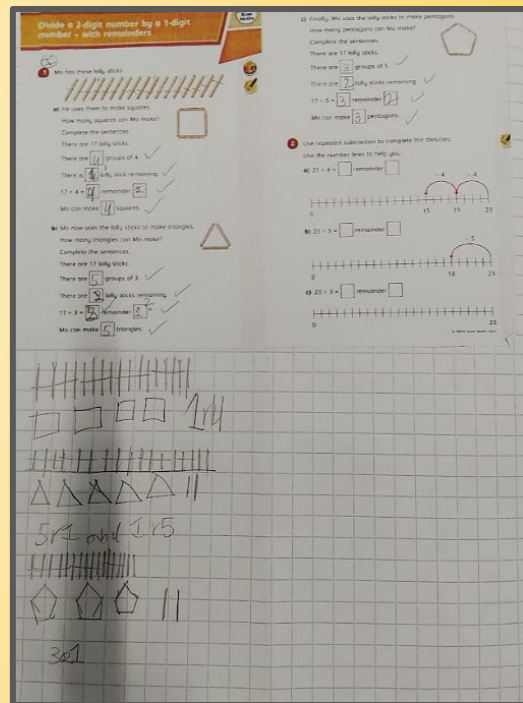

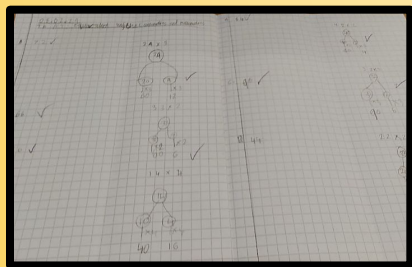

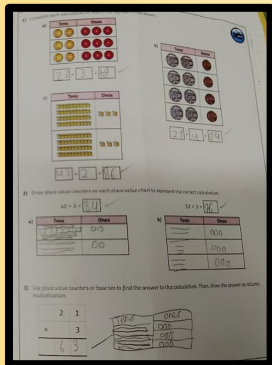

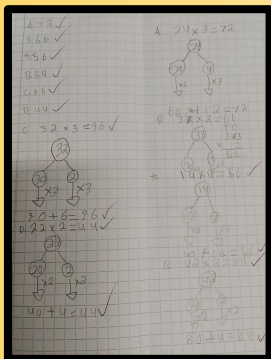

Celebrating Year 3's Learning

In Term 3, Year 3 have developed their understanding of multiplication and division. They learnt how to use a part-whole model to be able to solve mathematical problems and also learnt about commutativity.

They have used a Concrete, Pictorial and Abstract approach to be able to demonstrate their understanding of number - Well done.

We have also focused upon our times tables.

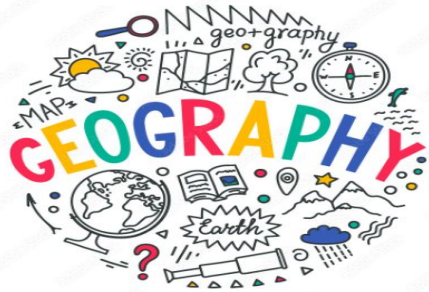

Celebrating Year 3's Learning

During Term 3, children have been learning about rocks. We have discovered the different types of rocks and examples of these.

We all really enjoyed our Science Workshops with parents and carers, where we created models of the Earth showing the different layers.

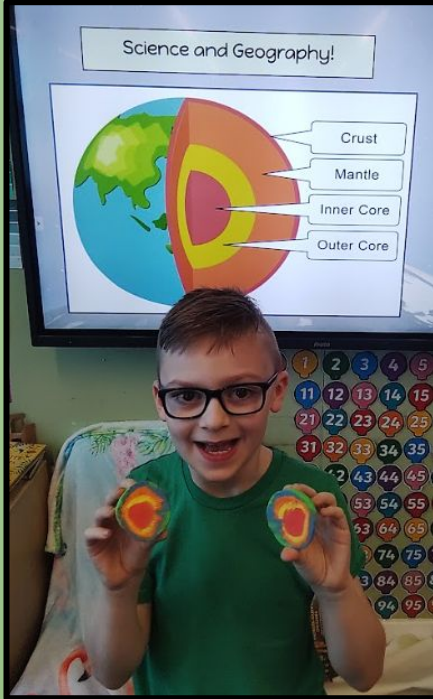

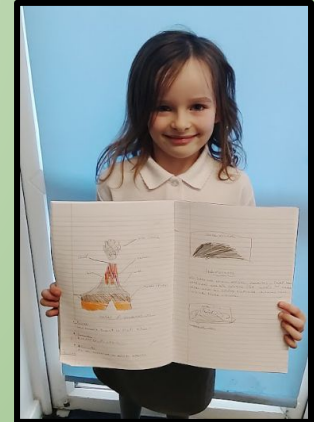

Celebrating Year 3's Learning

Over Term 3, the children have learned about Rocks, Relics and Rumbles! They discovered information all about volcanoes, including how they are formed and the different types of volcanoes.

The children also learned about tectonic plates and The Ring of Fire.

We will continue our learning about the Earth in Term 4, where we will develop understanding about earthquakes and tsunamis.

Well done!

Celebrating Year 3's Learning

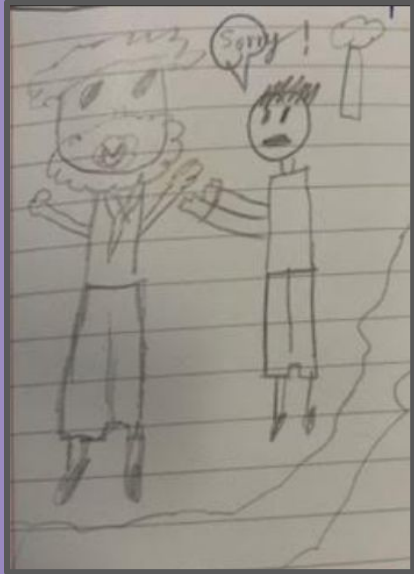

For our Art focus this term, the children focused on painting. They developed skills such as layering, sgraffito, dry brushing and sponging.

The children created their own colour wheels and learnt about primary and secondary colours.

RELIGIOUS EDUCATION

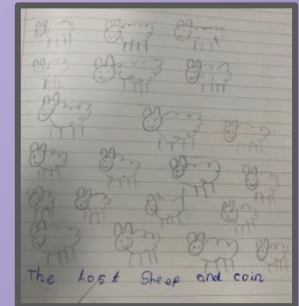

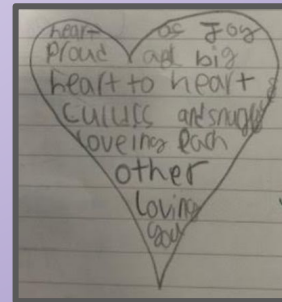

Celebrating Year 3's Learning

In Religious Education this term, the children explored why the Bible is still important to Christians today.

The children learnt about how the words of the Bible still inspire songs, art and poetry and also how Jesus' parables are still meaningful today.

The children created some beautiful posters, shape poetry and parable illustrations.

Celebrating Year 3's Learning

Within the children's Physical Education lessons, they have been focusing on our cognitive cog. Through dance they have learned and developed shapes and circles and created sequences of movement with these through partnering and artistry.

They worked independently and with a partner to practice and improve their balance and ball skills.

HOME LEARNING

Celebrating Year 3's Learning

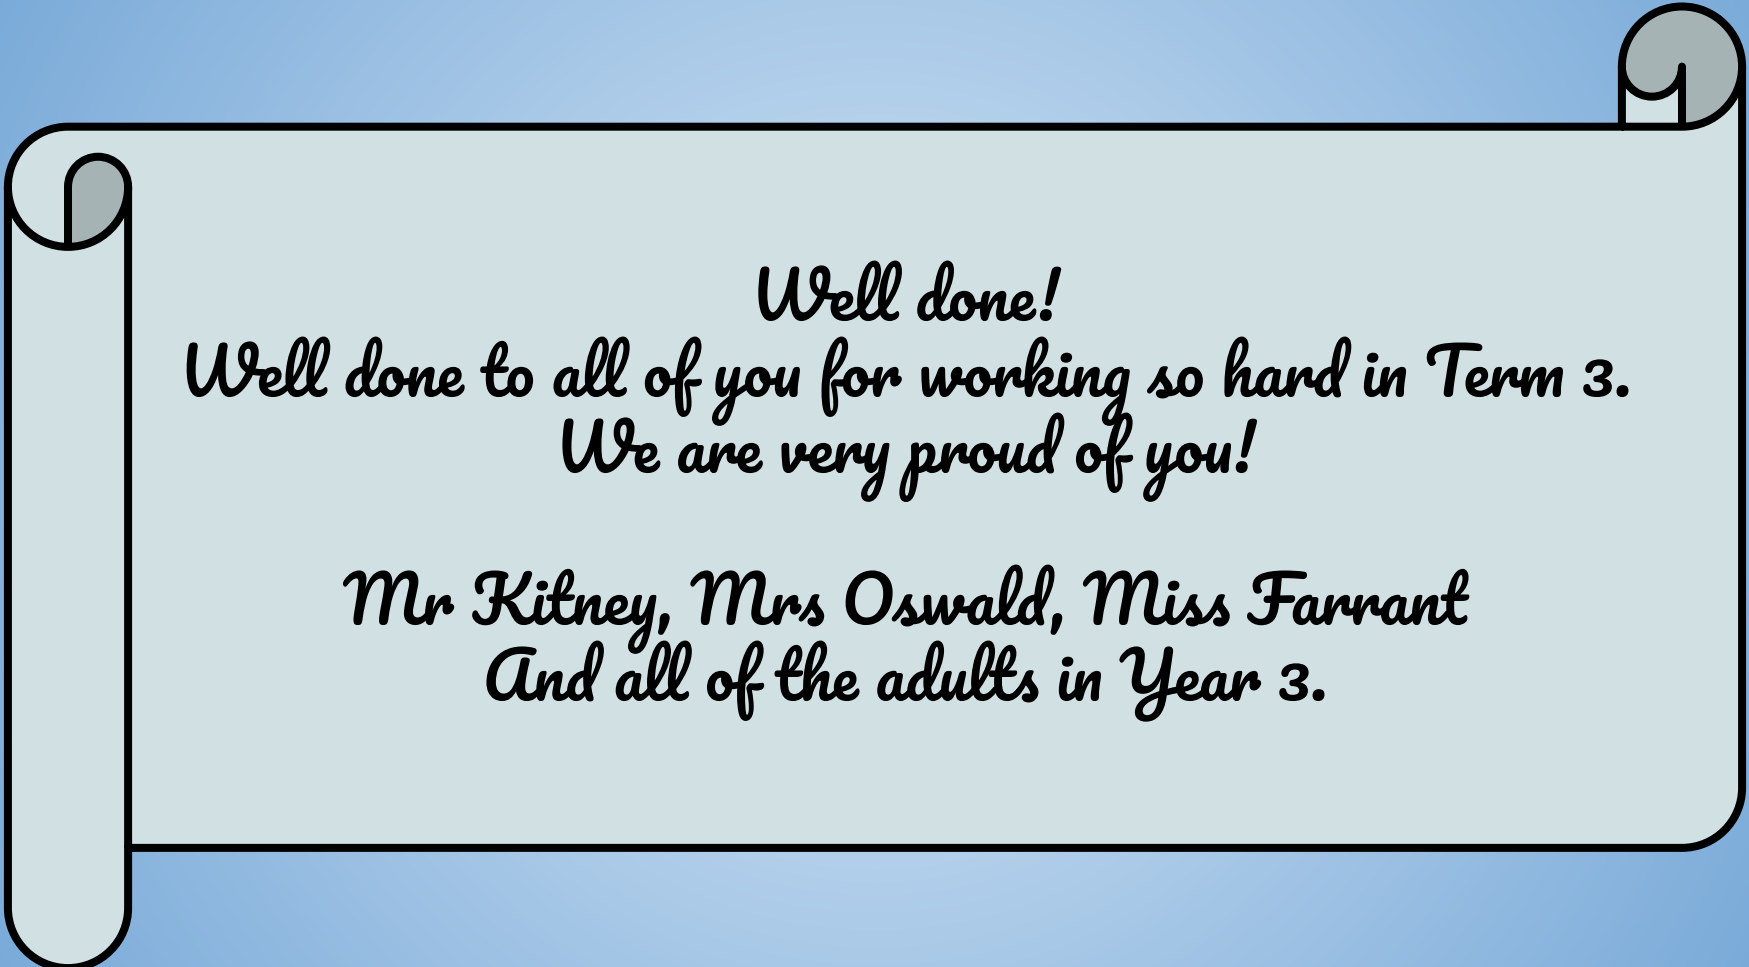

Wow!

We have all been incredibly impressed with the home learning that you have created this term.

You have blown us away with your eruption of creativity!

Well done!

Well done!
Well done to all of you for working so hard in Term 3.
We are very proud of you!

Mr Kitney, Mrs Oswald, Miss Farrant
And all of the adults in Year 3.
