

# *Celebrating Year 3's Learning!*

*We are very proud of how well Year 3 have worked  
over the past term.*

*Have a look at the following slides to see some  
examples of their amazing work!*

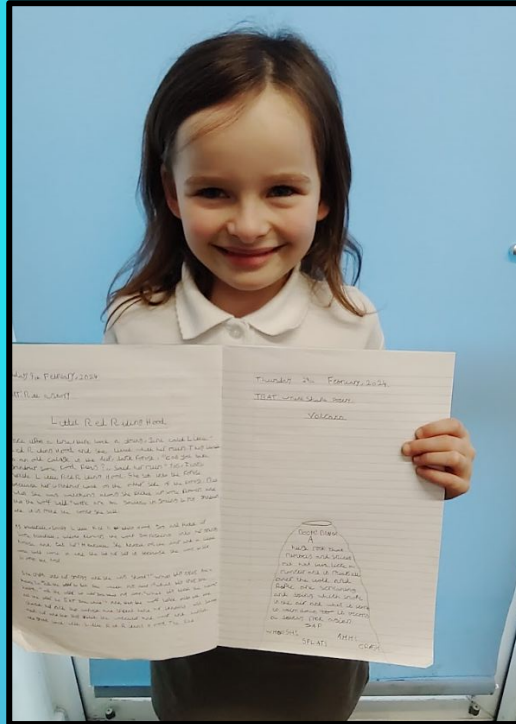

*Well done to you all.*

# Celebrating Year 3's Learning

Over Term 4, Year 3 have written some amazing pieces of writing. They began the term by looking at shape poetry. The children wrote some excellent shape poetry and included many of the features.

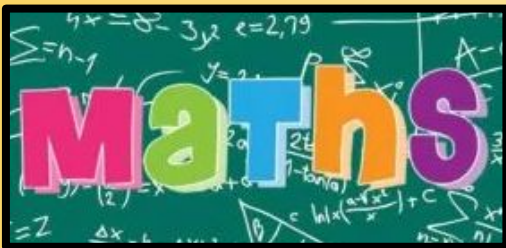

The children then went on to writing an effective set of instructions.

## READING

The focus text for this term has been Around The World in Eighty Days. The children thoroughly enjoyed an adventure story!

They answered questions based on information from the story and also learnt to develop their discussion techniques.

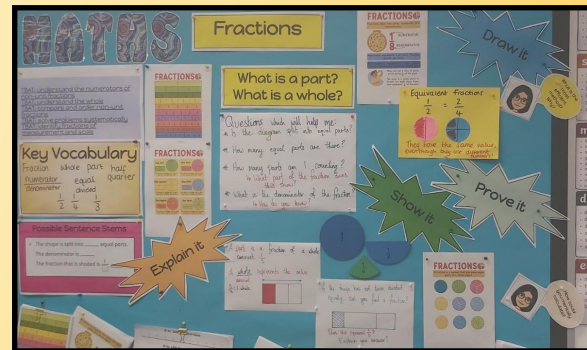

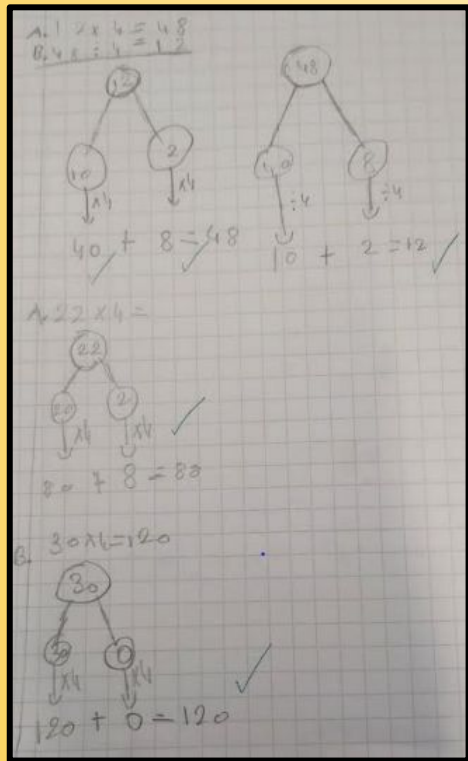

# Celebrating Year 3's Learning

In Term 4, the children learn all about fractions.

They learn about the numerator and denominator, fractions of shapes and numbers, unit fractions and non unit fractions.

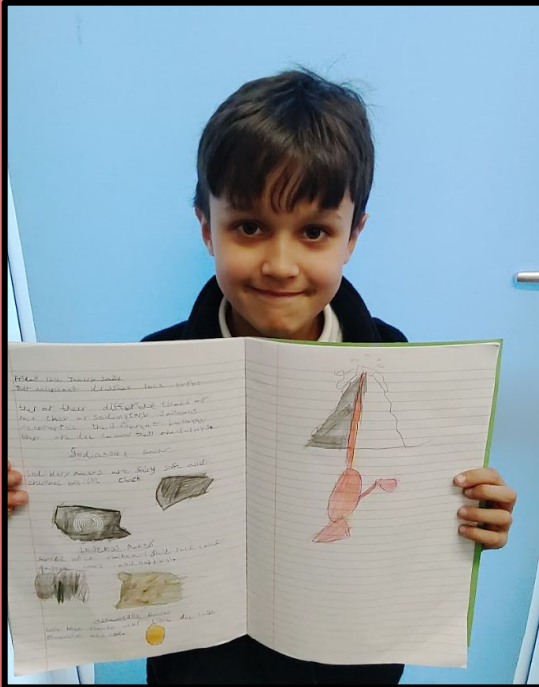

They were incredible at identifying fractions and recording the fractions independently.

They have used a Concrete, Pictorial and Abstract approach to be able to demonstrate their understanding of fractions - Well done.

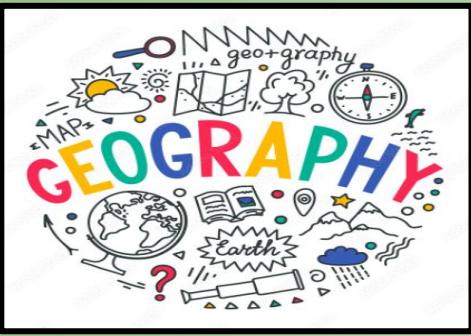

# Celebrating Year 3's Learning

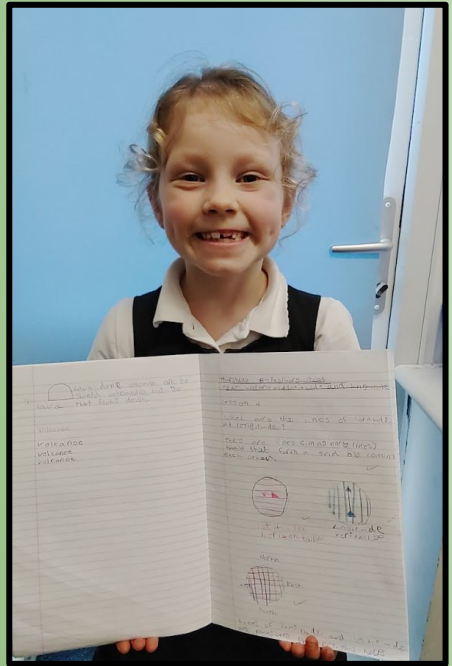

During Term 4, the children have been learning all about Rocks.

They learnt about the different types of rocks and how these can be used in everyday life.

Year 3 also learnt about soil and the different layers of it.

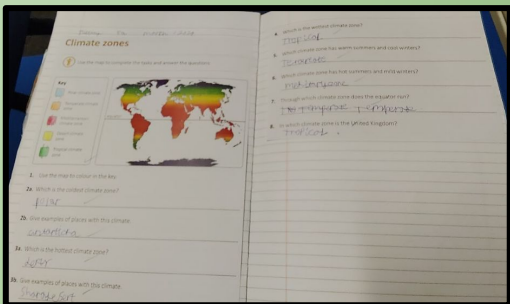

# Celebrating Year 3's Learning

Over Term 4, the children continued to learn about Rocks, Relics and Rumbles! They learnt about tsunamis and how they are formed and also about Human and Physical Geography.

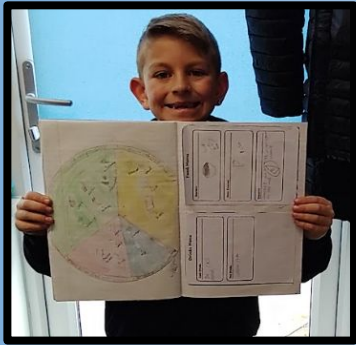

The children are now able to discuss various natural disasters, cardinal points and lines of longitude and latitude.

Well done!

# Celebrating Year 3's Learning

For our Design Technology focus this term, Year 3 have focused on Cooking and Nutrition.

They learn all about the food groups and how each of these impacts our diets. They designed their own Health Eating plate and menu!

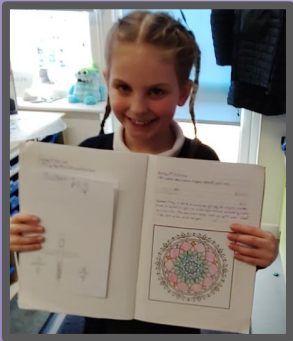

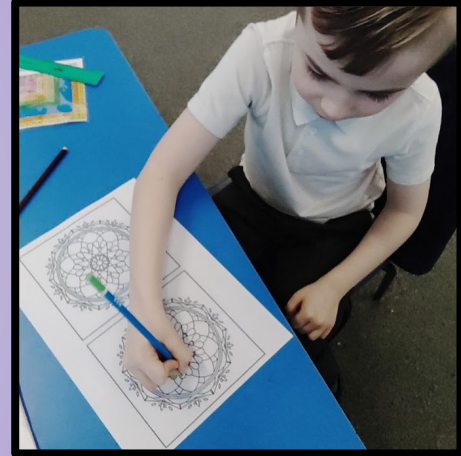

# RELIGIOUS EDUCATION

## Celebrating Year 3's Learning

In Religious Education this term, the children explored the question:

Why are festivals important to religious people?

This included thinking about Easter for Christians and its importance for them.

# HOME LEARNING

## Celebrating Year 3's Learning

Wow!

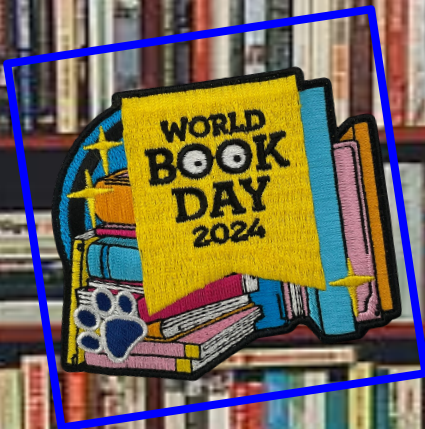

We have all been incredibly impressed with the home learning that you have created this term.

You have blown us away with your eruption of creativity!

Well done!

Well done!  
Well done to all of you for working so hard in Term 3.  
We are very proud of you!

Mr Kitney, Mrs Oswald, Miss Farrant  
And all of the adults in Year 3.
