

Term 4 in Year 5

Year 5 have had a fantastic fourth term, they have worked amazingly hard and produced some amazing pieces of work!

Have a look at the following slides to see some examples of their wonderful work.

Well done to you all!

Celebrating
Year 5's
Learning

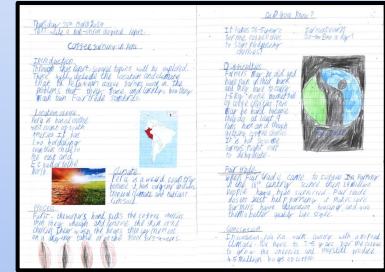

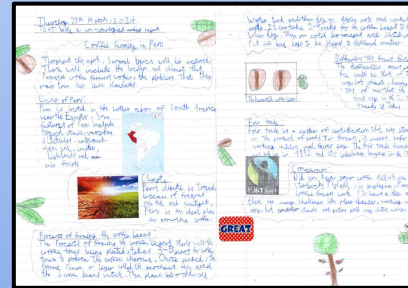

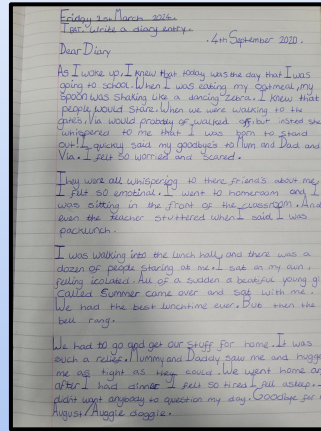

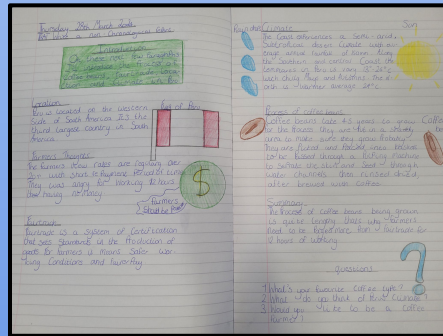

English has been highly successful in Term 4. We have had great success in our narrative writing, creating a weird but wonderful crossover story based on characters from different books or films.

To go alongside our reading, we created a diary entry from the perspective of Auggie and how his first day of school went.

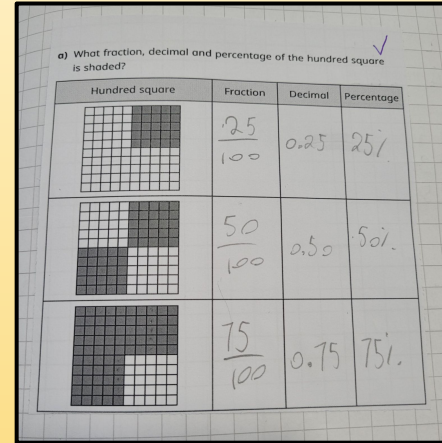

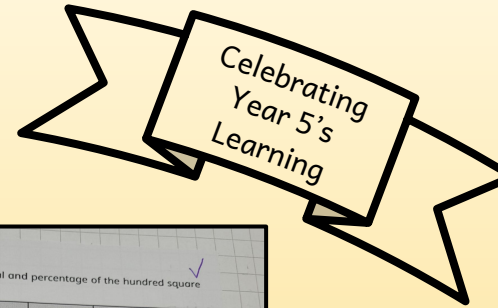

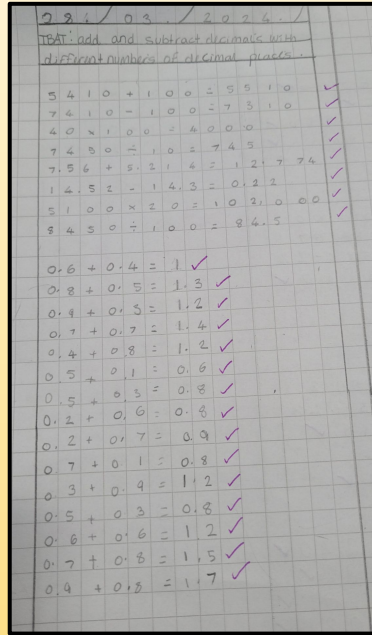

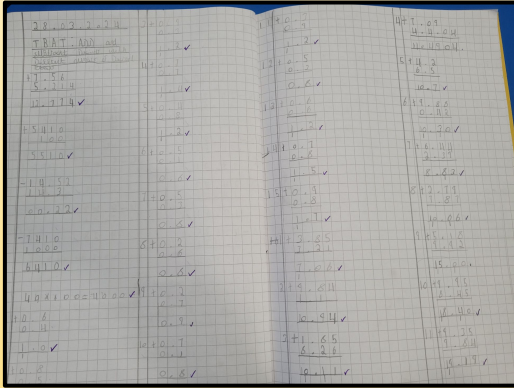

We ended Term 4 creating a non-chronological report based on the coffee bean growth in Peru. Some lovely pieces were made and books have looked fantastic this term, so a massive well done!

We have continued to read Wonder this term. Children have been thoroughly engaged in the book and how Auggie's life and adventures have played a part in him becoming the boy he is.

We celebrated World Book Day and all came dressed in as book characters. Children embraced the day and competed in a variety of activities throughout the whole week. All children had great fun and the love of reading only grew and grew!

M a t h s

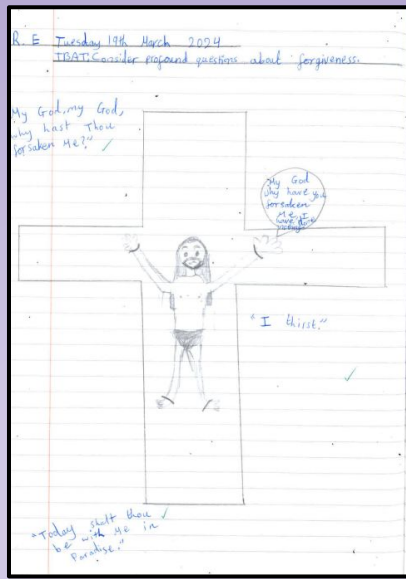

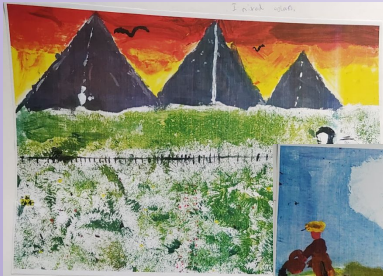

During term 4, Year 5 have been using their fraction knowledge from term 3 learning how to use decimals. They have demonstrated how to convert fractions into decimals and percentages. Year 5 are able to round decimals to the nearest tenth, add and subtract decimals and recognise percentages. Well done Year 5!

Celebrating
Year 5's
Learning

Year 5 have enjoyed Art this term, studying Ernst Haeckel and Vincent Van Gogh.

We created our own Sow, Grow and Farm pictures based on Van Gogh's style.

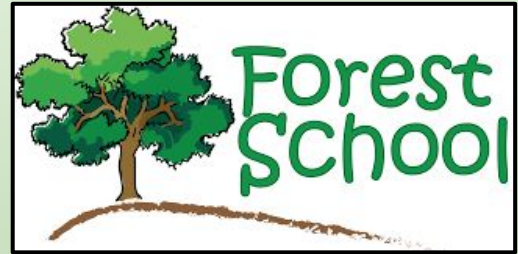

RELIGIOUS EDUCATION

RE this term has been all about forgiveness and love from Jesus. Children have seen how Jesus treated those who required forgiveness and those who gave forgiveness to others. We looked at scenarios and saw whether we would forgive people for certain actions. As well as forgiveness, we looked at love and how Jesus loved everyone. Children made poems about love and decorated them with things that they love.

Celebrating
Year 5's
Learning

Cooking
Time!

Axolotl class and Zebra class have enjoyed exploring the outdoors and the experience of cooking this term.

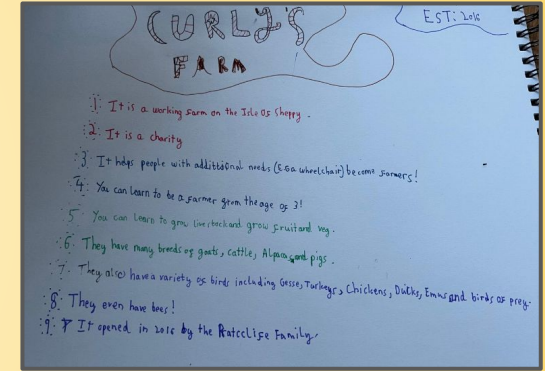

Children have produced a variety of lovely dishes including; pineapple upside down cake, garlic dough balls, biscuits and a healthy oat breakfast muffin.

In forest school, children have been able to make forts out of pallets, made dolls with clay and sticks and finished the term off by making smores!

Celebrating Year
5's Learning

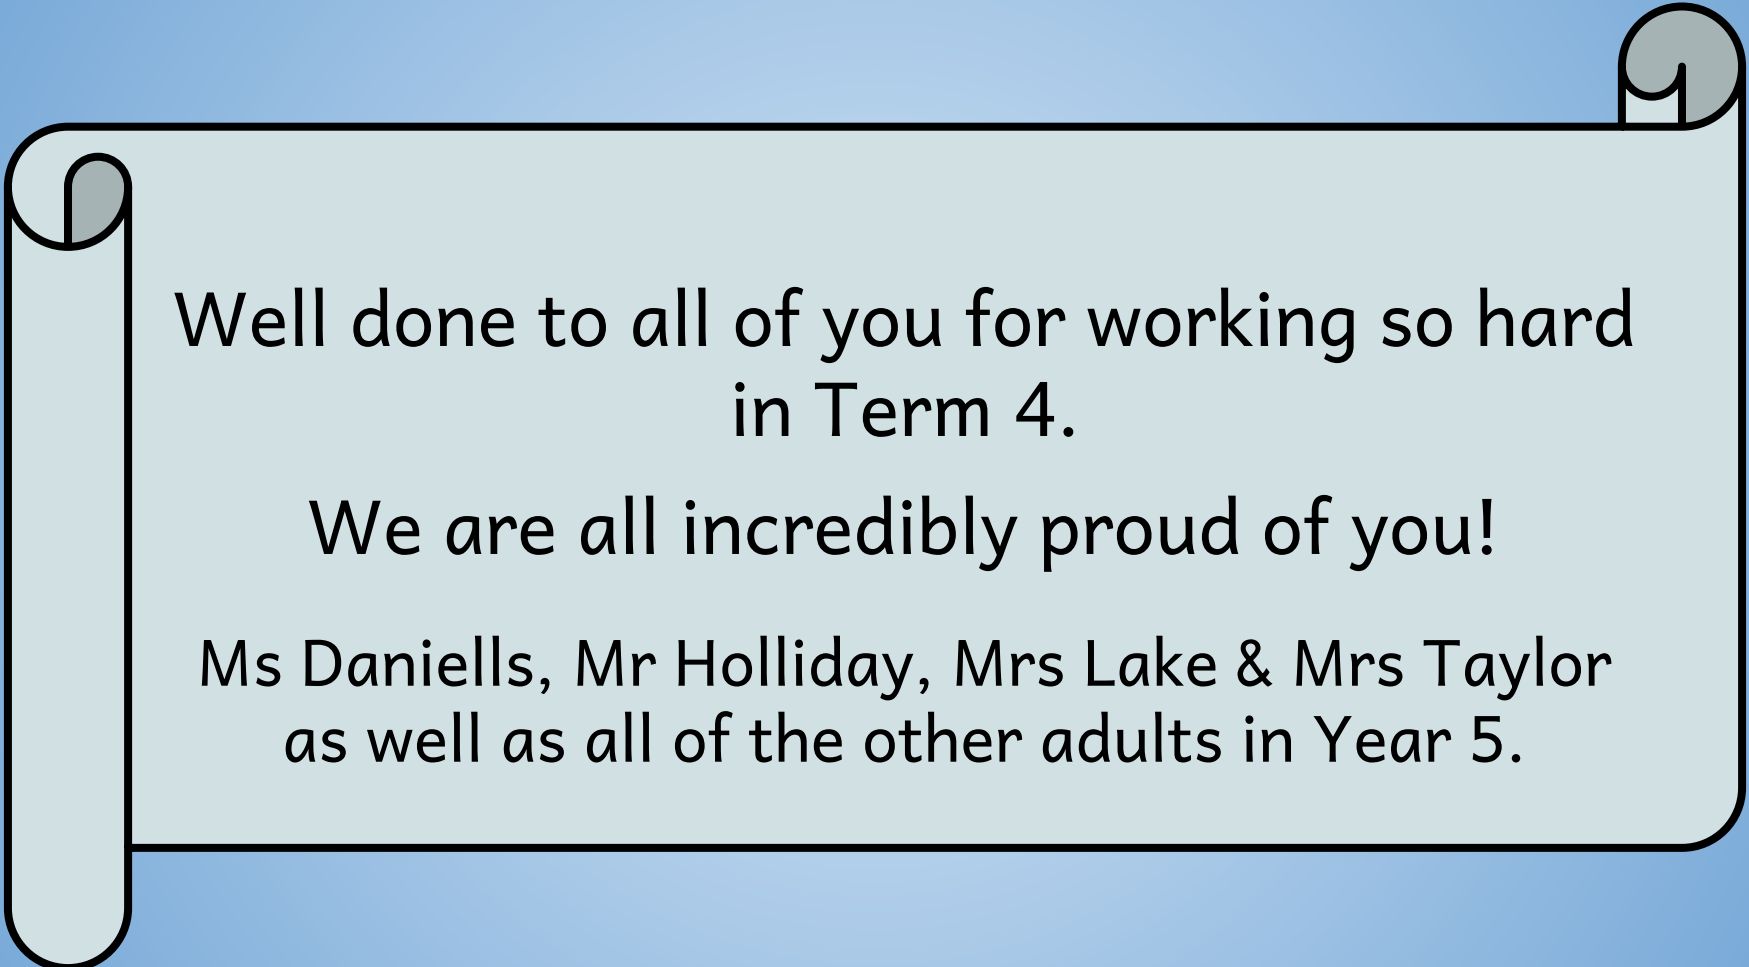

Home Learning

It has been another successful term of home learning.

Children have created some wonderful pieces of home learning which shows care, consideration and a good effort by all.

This term we have seen amazing Art, sensational Science, engaging English and marvellous Music!

Well done to all of you for working so hard
in Term 4.

We are all incredibly proud of you!

Ms Daniells, Mr Holliday, Mrs Lake & Mrs Taylor
as well as all of the other adults in Year 5.
