17th July 2024

Dear Parents and Carers,

As we come to the end of the academic year I wanted to let you know about some staffing changes.

Sadly we will be saying goodbye to Mrs Lawrence and Mrs Smeeton.

Mrs Lawrence is going on to start a new venture. She has been with us for many years and supported many children going through the school. We thank her for her hard work and dedication to the school and wish her the best of luck in her next chapter. We know she will be amazing.

Mrs Smeeton is going to a new school, but will continue to be a year 1 teacher. Mrs Smeeton has also been with us for many years and taught many year groups. She has led different subjects across the school and her hard work and dedication has been very much appreciated. We wish her the best of luck at her new school and know she will do well.

Saying goodbye to staff is always hard but we hope they will stay in touch.

Kind regards,

Victoria Pettett  
Headteacher
