VTP/SGI/LIO/Year 6/Art Competition

Friday 17th November 2023

Dear Year 6 pupils, parents and carers,

I was approached by a few children in Year 6, who had an excellent idea! They wanted to run an art competition just for Year 6 pupils to showcase all the art and design skills they have learnt over their time here at Westlands Primary School, so . . .

Year 6, do you enjoy being creative?

If so, this competition is for you! Now is the time to show off your artistic talents, here is your theme . . .

## Nature

You can produce anything you wish, from a drawing, a print, a painting or a sculpture, all based around the theme of nature. Flaunt your favourite art techniques and demonstrate your skills you have learnt so far at Westlands Primary School. All entries will be due in on Friday 5th January 2024, and there will be certificates and prizes given out for the following:

- The most accomplished drawing
- The most interesting concept
- The most colourful painting
- The most detailed sculpture

All entries will be judged by the Year 6 Class Teachers and Miss Owens. The winning entries will be displayed on the school website and Facebook page.

We look forward to seeing your amazing creations!

Miss Owens  
Art Lead
