

English

We will be building on our writing skills through narratives, diary entries and information texts. We will be exploring more sophisticated vocabulary as well as continuing to consolidate our knowledge of punctuation.

Maths

Within term 4, we will focus on length and perimeter. We will learn how to convert between units of measure and understand to calculate the perimeter of rectangular shapes. Later on the term, we will focus on fractions. Particularly on addition and subtraction of these.

Term Four Year 4 Misty Mountain and Winding River!

Welcome back to Term 4!

We have another exciting term ahead of us!
If you have any questions, please speak to your child's class teacher: Miss Rowson, Miss Owens and Miss Hornett.

P.E.

Outdoor PE is on Tuesdays and Indoor PE on Thursdays for all classes.

Geography

The children will still continue to learn about the characteristics and features of rivers and mountain ranges around the world, this will include the different mountain types and also the water cycle.

Science

The children will learn about solids, liquids and gases and their characteristic properties. We will observe how materials change state as they are heated and cooled, and learn key terminology associated with these processes.

French

Through the medium of this familiar period of Tudor History, Year 4 pupils will be taught the skills to understand slightly longer and more complicated text.

Term Four Year 4 Misty Mountain and Winding River!

Physical Education

In Term 4 children will develop and apply their sending and receiving and counter balance with a partner through focused skill development sessions, healthy competition, cooperative games and group Personal Best challenges.

Computing

Throughout the term, we will learning about HTML. Children will understand the role of this within a webpage. They will be able to explore a webpage using the 'insert' tool and be able to alter the HTML to create their posters.

Homework

Homework will still be given out on a Friday and is expected to be completed and handed in on the following Wednesday, or earlier. Your child will receive a termly menu. They can choose one activity a week and bring this into school. On a weekly basis they need to learn their spellings and times tables. There will be weekly tests in school based on these.

Music

Our learning is focused around exploring and developing skills for playing the ukuleles. We will continue to receive these lessons from our ukulele teacher - Mr Chambers. We have had great fun with learning the basic skills in Term 3. ready for these to become more complex this term!

PSHE

Within term 4, we are focusing on 'Healthy Me', we will look at healthy friendships and how these can be made, as well the different dynamics within a friendship group. Smoking and alcohol will also be looked at within this unit and the effects of these.

Religious Education

In R.E, Year 4 will be looking at 'Why is Jesus inspiring to some people?' Children will focus on the Christian faith and how they celebrate festivals.

DT

In Design and Technology, we will be exploring the artwork of pattern designer William Morris, through our focus on functional fancy fabrics!
