

English

Over Term 4, Year 3 will learn how to write a concise non chronological report, poetry, a newspaper report, instructions and descriptive writing.

They will develop their knowledge and understanding of writing techniques such as using dialogue and fronted adverbials.

Science

In Science lessons, Year 3 will continue to be learning about rocks. Within this topic we will be investigating different types of rocks and understanding their properties. We will also be looking at the formation of fossils and the layers of the soil.

Term Four Year 3 Rocks, Relics and Rumbles!

Welcome back to
Year 3!

We have an exciting term ahead of us! If you have any questions please ask your child's teacher.

P.E.

P.E. will be on a Tuesday and Friday.

Geography

We will continue our exciting study, 'Rocks, Relics and Rumbles', by looking at earthquakes and tsunamis, considering why and how these extreme activities occur.

Maths

Within our Maths lessons, the children will continue to learn about measure before progressing on to fractions.

They will develop their understanding of numerators and denominators as well as ordering and adding fractions.

TT Rockstars: In Year 3, we focus on our 3, 4 and 8 times tables as well as continued fluency in with the 2, 5 and 10 times tables.

French

Within our French lessons we will recognise and name up to 10 fruits and ask somebody if they like a particular fruit. We will say which fruits we like and dislike.

Computing

Our focus for Term Four, is to learn about computing systems and networks. This will be alongside online safety.

PSHE

In PSHE we will be looking at the area of 'Healthy Me'. This will include learning about being fit and healthy, being safe, my amazing body.

Homework

Homework will be given out on a Friday and is expected to be completed and handed in on the following Wednesday.

Art

Over Term 4, during our sketchbook sessions, the children will be comparing previous artists Georgia O'Keeffe and Paul Cézanne. Children will compare and contrast their pieces of art.

Physical Education

In this unit, the children will develop and apply their sending and receiving and counter balance with a partner through focused skill development sessions, healthy competition, cooperative games and Personal Best challenges.

Music

This is a song about kindness, respect, friendship, acceptance and happiness. Children will learn to listen and appraise this piece of music.

Religious Education

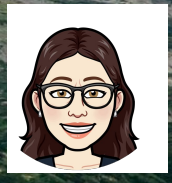

In RE, the children will consider why festivals are important to religious communities. Key festivals in Christianity, Judaism, Hinduism and Islam will be reflected upon, including looking at similarities and differences.
