Dear Parents/Carers,

We are pleased to confirm the 7th June for the sports day as stated in the previous save the date letter.

*This sports day is for year 1-6 only. EYFS will have their own sports day later on in the term where parents will be invited to attend. Therefore EYFS will remain in the school building during this day and have a normal timetable.*

The running times for upper school (Year 4,5, and 6) will be; 9:30am - 11:30am and lower school (Year 1,2 and 3) will be 1:15pm - 2:45pm.

There will be a whole school picnic on the main field from 12:00 - 12:45 where parents are invited to enjoy the sunshine and eat with their children.

If your child requires a school dinner on this day, then please complete the Google form that will follow this letter with your options.

There will be a taped off area on the field where children will be participating, so we are asking parents to not encroach on that part of the field. You are welcome to follow your child around the taped area to see all of their events.

## **School Gates**

School gates will be open in the morning until 9:15am so children are able to come down for a prompt 9:30am start.

We will be opening the pedestrian gate that goes directly onto the playground at 11:30am for parents to come on site for the picnic and to stay for the afternoon if required. These will be locked at 12:00pm so please ensure you are on site before then to avoid disappointment.

We will then reopen them at 12:40pm for anybody who wishes to leave for the afternoon.

**You will need to commit to stay on school site during these times as we do not have the capacity to keep opening gates for people.**

## **Toilets**

The Thrive Family Hub mobile will be open for toileting use, however please speak to a member of staff who will be happy to accompany you up there and back.

## **Photos**

We ask that should you take photos this should be of your child/ren only. Photos should not be taken or posted on social media if they include other pupils of whom you do not have parental consent. We have pupils that we need to safeguard but also know that this is a special event to capture memories. Please help us keep our children safe.

**Smoking and Vaping**

Can we please remind you that you are not permitted to smoke or vape on school grounds, if we do see this happening we will have to ask you to leave.

We ultimately hope you have a thoroughly enjoyable day and celebrate the sporting achievements of your child(ren).

Kind Regards

Mr Holliday  
Lead PE Co-ordinator
