Tuesday 19<sup>th</sup> April 2024

Dear Parents/Carers,

We have planned an exciting school trip to Creed Outdoor Learning Trust for the children of Leopard class on the 2nd of July 2024, after last year's success with this venue the children have asked to return to Creed again.

Creed is an outdoor activity centre in Teynham that gives children the opportunity to explore nature, get outdoors and active and a chance to push their boundaries by giving them a taste of adventure. During our school trip the children will have opportunities to take part in climbing, archery, survival skills, high ropes and some great team building activities along with environmental activities.

The site is located in Millennium woods in Teynham and we would like to ask that you drop off and collect your child directly from the site, drop off for 9:25am for a 9.30 start and collection will be 2:30pm, this allows us to keep the costs low and more affordable to all.

The address for Creed is - Millennium Woods, Castlewood Farm, Conyer Road, Teynham, ME9 9LS.

Can we please ask you to provide a mid morning snack, a packed lunch and a drink. If you receive free school meals you will be provided with a packed lunch from the school kitchen. Recommended clothing would be sportswear and comfortable shoes, full length trousers and long sleeved t-shirts are advised.

The cost of the trip is £23 and will be payable by ParentPay.

If you would like any more information around this please just ask myself or Miss Warner.

Many thanks,

Miss Jeffery and Miss Warner.
