Dear Parent / Carer,

Would you like your child to learn to play a musical instrument?

We have a Kent Music Teacher in your school on Wednesdays.

Chris Chambers teaches Drums.

Learning to play a musical instrument provides many social and academic benefits: improved coordination, dexterity, numeracy, increases confidence and above all it's fun! Also, it can often be a well needed distraction from screen time.

- 20min lesson: one to one costs £13

A 20min lesson is often long enough for a beginner.

Lessons are payable per term in advance, which totals £143 (11 lessons per term).

We have financial assistance and free instrument hire for children and young people from families who meet at least one or more of the following criteria (you will be asked to provide a photocopy/scan of one supporting document with your application form). If the Financial Assistance has all been allocated by the time you try to apply, it does become available again at the end of each academic year (around July):

1. Children and young people eligible for Free School Meals (year 3 or above)
2. Universal Credit or any other the benefits detailed under where Universal Credit is not in place: Child Tax Credit, Housing Benefit, Income Support, Income-based Jobseeker's Allowance (JSA), Income-related Employment and Support Allowance (ESA), Working Tax Credit
3. Incapacity Benefit
4. Pension Credit (Guarantee Credit)

All Kent Music teachers are DBS checked and receive quality assurance and high quality training on an annual basis. You can apply for lessons and financial assistance via our website: www.kent-music.com or if you have received this letter via email you can click on the following links:
