

## English

In term six we will be using our learning about the Tudors to produce several pieces of writing.

These will include a diary entry, a suspense story and instructions,

Our focus book will be The Secret Diary of Thomas Snoop, Tudor Boy Spy.

## Science - States Of Matter

Our Science days this term will be learning about solids, liquids and gases. The children will investigate, classifying an item, the process of one turning into another and how each of the states behave.

## Maths

There will be varied foci in maths this term. We will begin with decimals, moving onto money and time. Finishing the term with statics and geometry (graphs and shapes)

# Term 6 The Tudors

## Recommended Reads

Spy Master: First Blood - Jan Burchett

The Boy and The Globe - Tony Bradman

Tudor Tales: The Actor, the Rebel and the Wrinkled Queen - Terry Deary

The Lady Grace Mysteries (assassin) - Grace Cavendish

Welcome to term 6, your last few weeks in Year 4!

We understand that this year has been tough for many different reasons, however we are aiming to make this term really engaging for you all.

## Topic - History

The Tudors will be our focus for this term. Alongside providing knowledge about the famous Royal family, the children will be learning about Tudor fashion, crime and punishment, the lives of Tudor children and consider how the family influenced the lives we live now.

DT Week - linking with our topic, The Tudors, we will be learning the skills involved in sewing.
