 TBA: Write a powerful description  
 Medusa swiftly slithered round her craggy cave, she had venomous pythons fidgeted round her head. She wore a silky smooth snake-like tail. Trying to work with her annoying colossal claws that could penetrate through 6 layers of skin and bone. Medusa had bloody red eyes that put a irreversible curse on warriors who even dared to challenge her. She was as cold hearted as a snow queen, but was her choice. She also has an exquisite pattern on her tail, whenever someone came to slay her down, she hissed and pounced to eat them for dinner. Her skin was like green, it looked as if she was about to be sick. She lived in a dark in a ebony, rocky cave, in the black sea, that kept crashing enormous waves that started the sand and
