Creating cards.
Creating characters from the story

Books we will be focusing on over the course of term 2;

It is important to note that in EYFS at Westlands Primary we teach to the children's interest so this plan may change. We offer a play based curriculum where children are encouraged to use the inside and outside learning environment on a daily basis, whatever the weather. We encourage our children to become independent learners in a safe and stimulating environment where staff plan activities around a different theme each term.
