

English -

Our reading and English will be based on 'Holes' by Louis Sachar throughout this term. We will cover a variety of writing genres, such as: letters, narratives, descriptions, diary entry, newspaper articles and poetry.

Maths -

This term we will focus on fractions and geometry. We will deepen the children's understanding and develop their mathematical understanding. The children will understand how to complete calculations with fractions. They will also understand reflection, translations and coordinates.

Year 6 - Term 2 World War One

Welcome back to Term 2!

Reminders -

Please remember that long hair should always be tied up for school.

Remember to make sure you bring a water bottle into school every day - plain or flavoured water.

Also, remember to bring a coat into school, as the weather will turn this term.

Science -

Throughout this term, we will focus on Earth and Space. The children will understand how the planets move in the solar system, while completing investigations to develop our understanding.
