

What a pleasure it was to celebrate all the children's amazing hard work and incredible sculptures in our pop-up art gallery last week!

All the artworks were made in Term 5, where the art focus was sculpture. All children from EYFS to Year 6 created their own self-portrait using paper mache.

A huge thank you to all those who attended the pop-up gallery, it was wonderful to see so many families share in the children's creative successes.

I look forward to sharing more sensational artworks with you at the end of this term!

Just take a look at all the stunning artworks . . .

EYFS used a variety of media to create their self portraits, including paper mache, junk modelling, salt dough and clay! Amazing work!
